Welcome to your Travel Pack

No longer available to new customers since 20th March 2020

This Pack isn't available for new applications, so once you close it, you won't be able to purchase another one. When you cancel your Pack, you won't pay the monthly fee and the Pack's benefits will end so you'll no longer be covered after the end of the calendar month in which you cancel the Pack. You can still claim for something that happened while you were insured. Similar products are available with different features, benefits and terms and conditions.

Things to know

Your new Travel Pack

This product meets the demands and needs of someone who requires Travel Insurance and/or Breakdown Cover and does not already have cover or is not happy with their existing cover.

Check you're not covered elsewhere

To avoid paying for cover you don't need, it's worth checking that you don't already have similar or overlapping cover on other packaged accounts or policies.

Changed your mind?

If you decide you don't want this Travel Pack, you have a statutory 14 day cooling off period in which to cancel. This period begins on the date your Travel Pack is added to your Qualifying Account or the date you receive your policy document, whichever is the later. If you cancel within this period and have paid your first monthly Travel Pack fee, it will be refunded provided you have not travelled and there has been no claim or incident likely to give rise to a claim under your Worldwide Travel Insurance or RAC Comprehensive Breakdown Cover.

For your cancellation rights outside the 14 day cooling off period please refer to the 'Changing or ending a Pack' wording contained in the Barclays Pack terms and conditions at the front of this Welcome Pack.

Duration and Minimum Term

Unless you cancel within the 14 day cooling off period, you must hold this Pack for a minimum term of six months from it being added to your Qualifying Account, after which the Pack will automatically renew on a monthly basis and after which you can cancel the Pack at any time. There are some exceptions to this. For more information please refer to the Barclays Pack wording contained in the Barclays Pack terms and conditions section at the front of this Welcome Pack.

To cancel, contact us on 0345 7 345 345, visit your nearest Barclays Branch or tell us by writing to **Barclays, Leicester LE87 2BB**.

Remember, your account is available without a Pack, and with no monthly account fee.

Barclays Pack terms and conditions

A Pack is a set of services (such as insurance) that can be added to a qualifying current account. You can do this in the Barclays app or Online Banking, by calling us or visiting a branch. These terms cover your Pack and supplement and amend the Retail Customer Agreement, which can be found in our 'Barclays and You' leaflet. If there's inconsistency between these and the Customer Agreement, these terms take priority in relation to the Packs.

Each of the benefits and services in the Packs are provided to you under a separate agreement with the provider of the relevant benefits or services and the provider is responsible for providing the relevant benefits and services to you. The provider may be a company within the Barclays group of companies or a company outside that group.

What's a qualifying account?

You can only add a Pack to a Barclays Bank Account, Barclays Basic Current Account, Student Additions, Higher Education Account or Premier Current Account or if you have another account with us that we tell you is a qualifying account.

What's a Pack holder?

A 'Pack holder' is any person named as an account holder on the qualifying account.

Eligibility for Pack benefits

Before choosing a Pack, you should check that you are eligible for the benefits under each policy or feature (we will provide information to help you do this). For instance, you may not be eligible to claim for certain benefits because of your age, you have a pre-existing medical condition or some activities or equipment may not be covered. You will only be covered by any of the insurance benefits of Packs if you are a UK resident. To count as UK resident, you must spend at least 183 days a year within the UK.

What you pay

You pay a monthly fee for each Pack that you add to a qualifying current account. You'll find the current fees in the 'Barclays Tariff for Personal Customers', which is available in branch, by calling us or at [barclays.co.uk/rca](https://www.barclays.co.uk/rca). No part of a Pack fee is attributable to any particular benefit or service in your Pack. You will not be entitled to a refund or reduction in the Pack Fee if you choose not to use a benefit or service, you're not eligible for a benefit or service, or it's not otherwise available to you.

You may be able to add additional features to the services included in a Pack and we'll tell you what these cost before you choose to add them.

Closing a Pack

When you can close a Pack:

For most Packs, you can close or change the Pack at any time. However, if you took out a Travel Pack or Travel Plus Pack on or after 1 September 2016, you must keep it for six months from that date, and pay the Pack fee for those six months. See below for more information about the Travel or Travel Plus Pack.

We may not let you re-select the same Pack for a certain period after you cancel or change it.

We'll tell you if any restrictions apply when you cancel or change the Pack.

You can cancel your Pack by calling us, visiting a branch or by writing to **Barclays, Leicester LE87 2BB**.

When we can close a Pack:

We may close your Pack from your account if you don't pay the monthly Pack fee twice in a row, if your account becomes inactive for six months, it is no longer a qualifying account or for the reasons set out in the Retail Customer Agreement.

We can also close your account or Pack by giving you at least 30 calendar days' notice in writing for any reason.

What happens when a Pack is closed?

If your Pack is closed, you'll no longer be entitled to the benefits or services it provided. This may include any interest free arranged overdraft made available to you with this Pack.

Travel Pack and Travel Plus Packs

You must have a Travel Pack or Travel Plus Pack for a minimum term of six months from it being added to your qualifying account, after which you can close the Pack at any time.

There are some exceptions to this requirement:

- You close the Pack during the 14 day cooling-off period. This starts the day you receive your Welcome Pack
- You close your qualifying account
- You experience financial hardship due to a significant change in personal circumstances, for example, you're declared bankrupt
- You're no longer resident in the UK, or you reach 80 years of age
- Serious ill health, injury or mental incapacity that prevents you from travelling or death of an account holder
- You want to remove it after we have notified you of an unfavourable change to the terms of the Pack you hold, such as an increase in price or a change in what the Pack provides
- We close the Pack or your qualifying account for the reasons set out above.

When we can make changes to Packs

We review the Packs from time to time and may make changes to them, including the benefits and services included in a Pack or the providers of these or the Monthly fee. We may also make changes to the terms on which each benefit is provided (such as changes to the terms of an individual policy). We'll give you 30 days' personal notice before any changes like these. If we make changes to a Pack, we may provide information about you to any new provider to make sure there is no interruption in the benefit or service you receive. The new provider will use your information to provide you with the benefits and services.

Worldwide Travel Insurance

These are the terms and conditions which apply to your worldwide travel insurance. Please take time to read this information about the cover that is provided to you and anyone else covered by this policy.

The provision of insurance is conditional upon all insured persons complying with these terms and conditions. It is the Pack holder's responsibility to ensure that all insured persons are aware of and comply with the policy conditions, otherwise, we may refuse your claim or reduce your cover in the event of a claim.

If you have a question and can't find the answer in the policy wording, please contact Customer Services.

2. Making a claim

What you need to do

In life threatening situations you should seek medical attention immediately.

Contact our 24 hour Medical Emergency helpline before making any arrangements for medical treatment yourself if you have a medical emergency that requires

- Admission to hospital
- Treatment, tests or investigations as an outpatient
- Repeat consultations with a doctor

If you are in a serious medical emergency, then please don't delay getting help but call our 24 hour Medical Emergency helpline as soon as you can. One of our team will assist with the coordination of your treatment which may include moving you to another hospital or arranging to bring you home early. If necessary, we can arrange for a telephone consultation with one of our UK GPs.

For a minor illness or injury treated with medication from a pharmacy or one-off treatment at a clinic, keep any receipts for costs incurred and contact us when you get home. If you need any assistance contact the 24 hour Medical Emergency Assistance helpline at any time.

If you need to make a claim for travel, accommodation or related costs which you or any insured person has paid, we will only pay for your costs where you do not have a right to recover them from your travel and/or accommodation provider or agent, your debit/credit card company, PayPal, ABTA, ATOL (or similar organisations) or an insolvency administrator.

For example, if your trip is cancelled by your tour operator or booking agent you may have a right to a refund for some or all of the cost of your trip.

If you are not able to recover all of your costs, please contact us if you wish to make a claim.

When you make a claim, we may ask you for

- Proof of booking and any costs paid
- Details of any refund you have been able to obtain
- Evidence that you are not able to recover your costs elsewhere

Please check these terms and conditions carefully to ensure you

- Understand what is and isn't covered
- Contact the relevant helpline as soon as you can for assistance
- Keep any documentation that we require as you'll need to provide this in order for us to validate and settle your claim – we may refuse to pay your costs where you cannot provide this

Limits and excesses

All limits in this policy are per person (apart from Personal liability, which is per incident, per policy).

You'll need to pay the first £50 of any claim, per insured person, per trip (unless stated otherwise). This means that if the total value of your claim is less than £50 per person, per trip, we'll not make any payment to you.

If any one incident results in you claiming under more than one section of the policy you will only pay one excess, and where two or more people claim for the same incident, the most you will pay is twice the excess.

Claims conditions

Your duties

You must

- Contact us as soon as reasonably possible and provide all the information, documents, evidence and help we need to settle your claim or pursue a recovery
- Tell us if you're aware of any writ, summons or prosecution
- Send us every communication relating to a claim as soon as possible

You or any person acting for you, must not negotiate, admit or reject any claim without our permission in writing.

Our duties

If we want to, we can take over and conduct in the name of the person claiming under the policy the defence or settlement of any claim or issue proceedings for our own benefit to recover any payment we have made under this policy. We shall have full discretion in the conduct of any proceedings or the settlement of any claim.

Claims

You or your legal representative must pay for any certificates, information and evidence we may need, for example death or medical certificates, police reports or purchase receipts. These costs will not be covered by the policy.

If we make a payment before cover is confirmed and our claims investigation reveals that no cover exists, you must pay us back any amount which we've paid, which you are not covered for.

If you make a medical claim, you may be asked to provide

- Consent for us to access your medical records in accordance with the Access to Medical Records Act 1998. We will use this information to deal with your claim, including assessing whether cover applies and assisting the treating doctor in providing you with the most appropriate treatment. Without this information, we may not be able to deal with your claim
- A medical report from the treating doctor

We'll assess whether any proposed treatment is an emergency or whether it can wait until you have returned home. If appropriate, we'll arrange for your return to the UK.

In the event of a claim for injury or illness, we may request and pay for you to be medically examined on our behalf. We may request and pay for a post-mortem in the event of a claim for death.

3. Things you need to know about this travel insurance

Who's covered

This policy provides cover for the following 'insured person(s)'

- 'You' – the Pack holder aged 79 or under when the trip starts
- 'Your partner' who lives at home with the Pack holder, aged 79 or under when the trip starts
- 'Your children' – you and/or your partner's dependent children aged under 23 when the trip starts (including stepchildren and foster children)

Children are only covered when travelling with you or your partner, or travelling on their own to visit and stay with close relatives who live abroad.

Eligibility

To be covered, your main home address must be in the UK. Additionally, all insured persons must

- Be a resident of the UK (living in the UK for more than 183 days a year)
- Be registered with a UK doctor
- Not have already started the trip when the Pack was taken out

Cover will be in place whilst you are a holder of this Pack and will end when one of the 'Automatic termination of cover' events shown in '6. General Conditions' occurs.

Trip

By 'trip' we mean a journey that begins and ends in England, Scotland, Wales, and Northern Ireland ('UK'), where the return journey has been booked before leaving the UK, for the purposes of any of the following

- A holiday, winter sports holiday, cruise or travel for personal reasons unrelated to the insured person's employment; and/or
- Voluntary, charity or conservation work or fundraising for a registered charity or conservation organisation; and/or
- Travel outside the UK in connection with your job to carry out non-manual work such as administrative tasks, meetings and conferences.

We'll provide the insured persons with the cover set out in these terms and conditions for a maximum of 31 days per trip (unless a cover upgrade has been purchased for the trip). Cover automatically applies for each trip booked, and you do not need to contact us every time a trip is booked.

If the trip is solely within the UK, cover will only apply where the insured person is away from home for at least 2 consecutive nights and has pre-booked holiday accommodation in a commercially run premises or has prepaid flights or ferry crossings.

We won't cover

- Any trip arranged
 - and taken before the Pack was purchased; or
 - in connection with the insured person's job where this trip involves manual or physical work of any kind, working with children, providing healthcare, policing, security or military service or the insured person's role as a politician, religious leader, professional entertainer or sportsperson; or
 - to carry out charity or conservation work where this involves working in a healthcare environment or working at heights of more than 3 metres; or
 - for medical treatment or advice; or
 - to give birth or to collect newly adopted or surrogate children; or
 - through a school, college or university group booking.

If any of these are the reason for the trip or even part of the trip, then you should seek alternative travel insurance as we'll not pay any claim in these circumstances. If the trip is in connection with the insured person's job then you should check if the employer has travel insurance to provide cover.

Known events

This policy covers you for unexpected and unforeseen events and circumstances, for example, if you have an accident while you are on holiday and need urgent medical treatment this will be covered.

We won't cover

There is no cover in relation to any event, incident or circumstances if, at the time you purchased this Pack or booked your trip (whichever is later), you (or the insured person) knew that, or you could reasonably be expected to have known that

- the event or incident had already occurred or was going to occur; or
- the circumstances existed, or were going to exist,

and the event, incident or circumstances could reasonably be expected to affect your (or the insured person's) travel plans.

For example:

- You would reasonably be expected to know of any event, incident or circumstances (like an air traffic control strike) that had been widely reported in the media in the UK at the time you booked your trip or purchased this Pack (whichever is later)
- There is no cover for cancellation of your trip if your travel plans are disrupted because flights are cancelled or any government or authority closes their borders, or imposes restriction of movement and these cancellations or restrictions were in place or had been announced at the time you purchased this Pack or booked your trip (whichever is later)

Please refer to the General Exclusions.

Travel advice of the Foreign, Commonwealth and Development Office (FCDO)

Foreign, Commonwealth and Development Office – travel advice by country

- Before you book a trip and travel, you should check the FCDO website [gov.uk/foreign-travel-advice](https://www.gov.uk/foreign-travel-advice). It is packed with essential travel advice and tips, plus up-to-date information about different countries
- **You should be aware of any travel restrictions or advisory notices for the country you plan to visit**
- This policy provides cover should you book a trip and then need to cancel the trip or return home early as a result of the FCDO advising against all travel or all but essential travel, or where British nationals are advised to return home

We won't cover

- Any claim for cancellation if the advice or measures were in place or had been announced at the time you purchased your Pack or the trip was booked (whichever is later)
- Any claim for coming home early if the advice or measures were in place or had been announced when you (or the insured person) left the UK

Reciprocal health agreements

The UK has reciprocal healthcare agreements with a number of countries and territories worldwide. If you are a UK resident, these agreements mean that you may be entitled to urgent medical treatment at a reduced cost, or in some cases for free. We strongly recommend that you check if the country you are travelling to has a reciprocal health agreement in place and what the requirements are before you leave the UK; you can find more information online at [nhs.uk](https://www.nhs.uk) and search for healthcare abroad.

Period of Insurance

Each trip taken whilst the Pack is in force will be treated as a separate period of insurance; individually subject to all policy terms, conditions, limitations and exclusions. Cover for each separate trip applies as follows

- Cancellation cover begins from the date you purchase the Pack or the date of booking each separate trip (whichever is later) and ends when the insured person leaves home to start the trip
- Cover under all other sections begins when the insured person leaves home to start the trip and ends upon returning home providing that your trip does not exceed the trip limit of 31 days, unless you've purchased the extended trip duration upgrade (there's no cover for any part of any trip which is longer than the trip limit)

Extension of cover

If the insured person cannot get back to the UK before the trip limit ends, this insurance will remain in force

1. for up to 14 days if any vehicle the insured person is travelling in breaks down or their pre-booked transport is cancelled or delayed; or
2. for as long as deemed medically necessary by us and in consultation with the insured person's treating doctor where the claim is for emergency medical treatment under this policy.

Upgrading your cover

We understand that your needs may change, and there may be times where you may need to increase some of the limits or extend your cover.

To find out more or to get a quote, call the customer services upgrade number shown in '1. How to get help before you book your trip'. If we offer an upgrade, there may be an additional premium which you will need to pay. To ensure you are fully covered, you should buy your upgrade at the point of booking the trip.

Extended trip duration

If anyone insured by this Pack is planning a trip which will last longer than 31 days, this upgrade will allow you to cover the entire trip duration up to 90 days. The insured person must have a return trip booked before you can buy this upgrade.

There's no cover for any part of any trip which is more than 31 days in duration unless you buy the upgrade.

This upgrade covers one single trip, you will need to buy this for each trip which exceeds 31 days.

Increased cancellation cover

The most we'll cover for trip costs under 'B. Cancelling or coming home early' and the 'Travel Disruption' section in 'D. Unexpected costs' is £5,000 per person. If you or anyone covered by this policy are planning a trip and want to increase this limit you can upgrade to a maximum of £10,000 per person.

This upgrade covers one single trip, you will need to buy this for each trip that costs more than £5,000 per person.

Your belongings

The most we'll pay if your belongings are lost, stolen or accidentally damaged under the 'Your belongings' section is £1,500 for each person (£400 for valuables or any single item). This upgrade allows you to increase the limit up to a maximum of £2,500 per person (£650 for valuables or any single item).

This upgrade covers one single trip, you will need to buy this for each trip where your belongings exceed £1,500 per person.

Information and changes we need to know about

You must take reasonable care to provide complete and accurate answers to the questions asked when you take out this Pack, make changes to it, or tell us about new medical conditions or changes to existing medical conditions.

You need to tell Barclays

- if you move address – if this means that you are no longer a UK resident or your main address is no longer in the UK then all the cover under this policy will end
- if you change your name – this affects our ability to maintain and service your policy

When we are notified of a change, we will let you know if this affects your policy, for example whether we are able to accept the change and if so, whether the change will result in revised terms or an additional premium. If the information provided by you is not complete and accurate, depending upon the information that you have given us, we may

- amend the underwriting decision(s) for any declared existing medical condition(s) which may result in an accepted condition being excluded, or
- refuse to pay any claim, or
- cancel this policy.

A. Your health

Medical Declaration – applicable to each insured person

Please read this section carefully

This travel insurance is not a general health or private medical insurance policy and will only cover sudden and unexpected illness or accidents.

When you purchased your Pack you were asked if you or anyone to be insured by this policy had any existing medical conditions. You need to keep us informed about changes to your health and you should read below to find out what medical conditions you need to tell us about and when you need to tell us.

By 'medical condition' we mean any illness, injury or disease where in the 12 months before purchasing your Pack or booking a trip (whichever is later) an insured person has:

- been prescribed medication, including newly prescribed or repeat medication; and/or
- received or is awaiting medical treatment, tests or investigations; and/or
- been referred to, or had follow up with a specialist; and/or
- been admitted to hospital or had surgery.

You don't need to tell us about any common colds or contraceptive medication.

When you need to tell us

- **Before booking any trip** – if you wish us to consider covering existing medical conditions, you'll need to call the Medical Risk Assessment helpline and we will assess the condition(s) and tell you whether we can cover the condition(s)
- **After booking a trip but before travelling** – if after the trip has been booked you are referred to a consultant/specialist or admitted to hospital, you will be covered for cancellation of your trip and we will pay your travel costs you had paid before this happened. If you still wish to travel you must call the Medical Risk Assessment helpline and we will assess the condition(s) and tell you if we are able to cover the condition(s). If we are unable to cover the condition(s) but you still wish to go on the trip, we will not cover any claim arising directly or indirectly from the condition(s)
- **If you booked your trip before purchasing your Pack**, you should call us as soon as possible to find out if your existing medical condition(s) can be covered for the pre-booked trip

6. General conditions

Your cancellation rights

- You have a statutory 14 day period in which to cancel your insurance contract. This period begins on the date you purchase this Pack or the date you receive your policy document, whichever is later. If you have paid your first monthly Pack fee and cancel within this period, it will be refunded.

For your cancellation rights outside the 14 day period, please reference 'Closing your Pack' in the Barclays Pack(s) terms and conditions within this Welcome Pack.

Cover upgrades

- You have a statutory right to cancel within 14 days from the day of purchase of the upgrade or the day on which you receive your documents, whichever is later. If you wish to cancel, you'll be entitled to a full refund of the premium paid provided you haven't travelled and there has been no claim or incident likely to give rise to a claim. If you don't exercise your right to cancel, it will continue in force and you will need to pay the premium.
- For cancellations outside this 14-day period no refund of premium will be made.

Our cancellation rights

Barclays may cancel the Worldwide Travel Insurance immediately on our behalf by sending at least 7 days' written notice to your last known postal and/or email address setting out the reason for cancellation. Valid reasons include but are not limited to the following

- Where we reasonably suspect fraud
- Where you fail to co-operate with us or provide us with information or documentation we reasonably require and this affects our ability to process a claim or defend our interests
- Where you have not taken reasonable care to provide complete and accurate answers to the questions we ask.

Barclays may also cancel this insurance and your travel Pack in accordance with the terms of the Barclays Pack(s) terms and conditions within this Welcome Pack.

Automatic termination of cover

The policy will remain in force until the first of the following automatic termination events occur.

The Pack holder

- closes this Pack. When and how you can do this is set out in the 'Closing your Pack' section in the Barclays Pack(s) terms and conditions within this Welcome Pack
- reaches 80 years of age
- is no longer a UK resident, or changes their main address to a non UK address

Barclays removes the Pack for one of the reasons in the 'Closing your Pack' section in the Barclays Pack(s) terms and conditions within this Welcome Pack.

If an insured person is not eligible for the travel insurance cover, there will be no refund or reduction in the Pack fee.

As your circumstances may change over time, it is important that you review the terms and conditions of your worldwide travel insurance regularly to check you remain eligible and that the cover remains adequate for your needs.

If an insured person is on a trip at the time an automatic termination event occurs, all cover will cease when the trip ends.

When we can make changes to your cover

We can, at any time and after taking a fair and reasonable view, make changes to your Travel Insurance terms and conditions, to reflect changes in our expectations of the future likely cost of providing cover. Policy cover may increase or decrease, but the changes will not be made for the sake of recouping past losses. When doing so we will only consider one or more of the following:

- our experience and expectations of the cost of providing this product and/or other Aviva products of a similar nature
- information reasonably available to us on the actual and expected claims experience of insurers of similar products
- widely available economic information such as inflation rates and exchange rates

Additionally, we can, at any time and after taking a fair and reasonable view, make changes to your Travel Insurance terms and conditions:

- to reflect changes (affecting us or your policy) in the law or regulation or the interpretation of law or regulation, or changes in taxation
- to reflect decisions or recommendations of an Ombudsman, regulator or similar person, or any code of practice, with which we intend to comply
- in order to make your policy clearer and fairer to you or to rectify any mistakes that may be discovered in due course

Changes (together with the reasons for such changes) will be notified to you in writing at least 30 days in advance.

Claims fraud

If your claim is in any way dishonest or exaggerated, we will not pay any benefit under this policy and we may cancel your policy immediately and backdate the cancellation to the date of the fraudulent claim. We may also take legal action against you to include recovery of any sums paid to you in respect of the fraudulent claim.

Contribution to claim

If, at the time of an incident which results in a claim under this policy, there is any other insurance or other source covering the same loss, damage, expense or liability, we are entitled to approach that insurer and/or other source for a contribution towards the claim and will only pay our share.

Your duty to prevent injury, loss, theft or damage

You and all insured persons must take all reasonable precautions to protect yourselves and your property.

Transfer of rights

You cannot transfer your rights under this policy. A person, partnership (whether limited or not) or company who is not insured under this policy has no rights under the Contracts (rights of third parties) Act 1999 to enforce any of its terms.

Payments made under compulsory insurance regulations and rights of recovery

If the law of a country in which this policy operates requires us to settle a claim which, if this law had not existed, we would not be obliged to pay, we shall be entitled to recover such payments from the relevant person insured or the person who incurred the liability.

Choice of law

The law of England and Wales will apply to this contract, unless

- You and we agree otherwise; or
- At the date of the contract you are a resident of Scotland or Northern Ireland in which case (in the absence of agreement to the contrary) the law of that country will apply.

Use of language

Unless otherwise agreed, the contractual terms and conditions and other information relating to this contract will be in English.

Privacy overview

Aviva privacy notice

Personal Information

We collect and use personal information about you so that we can provide you with a policy that suits your insurance needs. This notice explains the most important aspects of how we use your information but you can get more information about the terms we use and view our full privacy policy at [aviva.co.uk/privacypolicy](https://www.aviva.co.uk/privacypolicy) or request a copy by writing to us at Aviva, Freepost, Mailing Exclusion Team, Unit 5, Wanlip Road Ind Est, Syston, Leicester LE7 1PD.

The data controller responsible for this personal information is Aviva Insurance Limited as the insurer of the product. Additional controllers include Barclays, who are responsible for the sale and distribution of the product, and any applicable insurers, reinsurers or brokers we use.

Personal information we collect and how we use it

We will use personal information collected from you and obtained from other sources:

- to provide you with insurance: we need this to decide if we can offer insurance to you and if so on what terms and also to administer your policy, handle any claims and manage any renewal
- to support legitimate interests that we have as a business. We need this to:
 - manage arrangements we have with our insurers, reinsurers and brokers we use, and for the detection and prevention of fraud
- to meet any applicable legal or regulatory obligations: we need this to meet compliance requirements with our regulators (e.g. Financial Conduct Authority), to comply with law enforcement and to manage legal claims, and
- to carry out other activities that are in the public interest: for example, we may need to use personal information to carry out anti-money laundering checks.

We may also use personal information about other people, for example family members you wish to insure on a policy. **If you are providing information about another person we expect you to ensure that they know you are doing so. You might find it helpful to show them this privacy notice.**

The personal information we collect and use will include name, address, date of birth and financial information. If a claim is made we will also collect personal information about the claim from you and any relevant third parties. We may also need to ask for details relating to the health or any unspent offences or criminal convictions of you or somebody else covered under your policy. We recognise that information about health and offences or criminal convictions is particularly sensitive information. We'll ensure that we only use that information where we need to for our insurance purposes (including assessing the terms of your insurance contract, dealing with changes to your policy and/or dealing with claims).

There may be times when we need consent to use personal information for a specific reason. If this happens we will make this clear to you at the time. If you give us consent to using personal information, you are free to withdraw this at any time by contacting us – refer to the 'Contacting us' details below. Please note that if consent to use this information is withdrawn we will not be able to continue to process the information you gave us for this/these purpose(s). This would not affect our use of the information where consent is not required.

Of course, you don't have to provide us with any personal information, but if you don't provide the information we need we may not be able to proceed with your application or any claim you make.

Some of the information we use as part of this application may be provided to us by a third party. This may include information already held about you within the Aviva group, including details from previous quotes and claims, information we obtain from publicly available records, our trusted third parties and from industry databases, including fraud prevention agencies and databases.

Credit Reference Agency Searches

To ensure the Insurer has the necessary facts to assess your insurance risk, verify your identity, help prevent fraud and provide you with our best premium and payment options, the Insurer may need to obtain information relating to you at quotation, renewal and in certain circumstances where policy amendments are requested. The Insurer or their agents may undertake checks against publicly available information (such as electoral roll, county court judgments, bankruptcy orders or repossession(s)). Similar checks may be made when assessing claims.

The identity of our Credit Reference Agency and the ways in which they use and share personal information, are explained in more detail at www.transunion.co.uk/crain.

Automated decision making

We carry out automated decision making to decide whether we can provide insurance to you and on what terms, deal with claims or carry out fraud checks. In particular we may use an automated underwriting engine to provide a quote for this product, using the information we have collected.

How we share your personal information with others

We may share your personal information:

- with the Aviva group, our agents and third parties who provide services to us, Barclays and other insurers (either directly or via those acting for the insurer such as loss adjusters or investigators) to help us administer our products and services,
- with regulatory bodies and law enforcement bodies, including the police, e.g. if we are required to do so to comply with a relevant legal or regulatory obligation,
- with other organisations including insurers, public bodies and the police (either directly or using shared databases) for fraud prevention and detection purposes,
- with reinsurers who provide reinsurance services to Aviva and for each other in respect of risks underwritten by Aviva, with insurers who cover Aviva under its group insurance policies and with our brokers who arrange and manage such reinsurance and insurance arrangements. They will use your data to decide whether to provide reinsurance and insurance cover, arrange and manage such cover, assess and deal with reinsurance and insurance claims under such cover and to meet legal obligations. They will keep your data for the period necessary for these purposes and may need to disclose it to other companies within their group, their agents and third party service providers, law enforcement and regulatory bodies.

Some of the organisations we share information with may be located outside of the European Economic Area (“EEA”). We’ll always take steps to ensure that any transfer of information outside of Europe is carefully managed to protect your privacy rights. For more information on this please see our Privacy Policy or contact us.

How long we keep your personal information for

We maintain a retention policy to ensure we only keep personal information for as long as we reasonably need it for the purposes explained in this notice. We need to keep information for the period necessary to administer your insurance and deal with claims and queries on your policy. We may also need to keep information after our relationship with you has ended, for example to ensure we have an accurate record in the event of any complaints or challenges, carry out relevant fraud checks, or where we are required to do so for legal, regulatory or tax purposes.

Your rights

You have various rights in relation to your personal information, including the right to request access to your personal information, correct any mistakes on our records, erase or restrict records where they are no longer required, object to use of personal information based on legitimate business interests, including profiling and marketing, ask not to be subject to automated decision making if the decision produces legal or other significant effects on you, and data portability. For more details in relation to your rights, including how to exercise them, please see our full privacy policy or contact us – refer to the ‘Contacting us’ details below.

If you have a complaint or concern about how we use your personal information, please contact us in the first instance and we will attempt to resolve the issue as soon as possible. You also have the right to lodge a complaint with the Information Commissioner's Office at any time.

Fraud prevention and detection

European Breakdown Cover

European Breakdown Cover is designed to offer you assistance in the event of breakdown, road traffic accident, or fire or theft of your eligible vehicle, or illness of the only qualified driver in a European Territory.

This section describes what you are entitled to under European Breakdown Cover and how to use the service. It must be read in conjunction with the General Terms, Costs and General Exclusions sections printed elsewhere in this policy.

Important Information

Credit card requirement

Car hire companies insist on having valid credit card details at the time of booking and the card must be produced when collecting a hire car. Therefore, if a hire car is necessary for you to continue your journey, we will require your credit card details to arrange this. Please see section 1 – Replacement car and section 6 – Journey continuation. We will also require your credit card details if we arrange a service for you which is not covered by your policy or if it exceeds the European Breakdown Cover limit.

Mobile phones

The regulations on the temporary importation and use of mobile phones vary from country to country. Please check with your service provider that your phone meets the requirements and necessary standards for the countries in which you are travelling.

Whilst convenient, mobile phones are expensive to use and you should note some service providers charge for calls to freephone numbers. It may also not be possible for an RAC Control Centre to return a call to a mobile phone, however where we are able to return your call, you may still have to pay the costs of the international call. Please note mobile phone calls are not covered under European Breakdown Cover and we regret that we cannot reimburse any costs incurred. You are therefore recommended to use a conventional phone wherever possible.

In case of difficulty in reaching an emergency number or to check cost please contact the service provider of your mobile phone, or use a conventional phone.

Breakdowns on European Territory motorways

If you break down on a motorway in European Territory use the roadside emergency telephones where provided. You cannot normally call RAC Control Centres from these. You will be connected to the police or authorised motorway service, who will send a breakdown recovery vehicle. Please note that due to local legislation the RAC Control Centre is not able to send a breakdown recovery vehicle to a motorway location. If you are unable to locate a motorway phone or services station phone, please contact the RAC Control Centre for guidance.

In France the same procedure applies if you break down on a motorway service area.

You may have to pay labour and towing charges on the spot and an authorised tariff is normally applicable. However, this will normally only be to the recovery company's own depot in the case of any tow.

These items are covered by European Breakdown Cover and you should obtain a receipt to claim a refund from us on your return home. If you are towed from a motorway, contact the RAC Control Centre as soon as you can, from the recovery company's depot if possible.

Motorcycles

Motorcycles are covered on the same basis as other eligible vehicles. However, we regret it is not possible for us to hire a motorcycle if a replacement vehicle is required. A hire car or alternative transport will be arranged, whichever is most suitable. We are also unable to hire a trailer for you to transport your eligible motorcycle.

Caravan and trailers

Any supplement paid to include a caravan or trailer under European Breakdown Cover is to cover our increased risk and costs. We do our best to find solutions to motoring problems, but we regret we cannot arrange a replacement caravan or trailer in the event of a breakdown which in our opinion we are unable to repair locally or within a reasonable time, or because repairs are unwise. Hire vehicles are unlikely to include tow bars so that it may become necessary to repatriate a caravan or trailer together with your eligible vehicle, if your eligible vehicle cannot be repaired in the European Territory by the return date.

Service providers

We do not give any warranty or assurance as to the services provided by garages, breakdown/recovery companies, repairers, car hire companies and other third party service providers whose emergency services we arrange and/or pay for under European Breakdown Cover. They do not act as our agents and we do not accept liability for their acts or omissions. You should check that any repairs to your eligible vehicle are carried out to your reasonable satisfaction.

Motor insurance and vehicle warranty

European Breakdown Cover does not replace motor vehicle insurance. We strongly recommend you tell your motor insurers before taking your eligible vehicle abroad. If you do not, your insurance policy will only cover you for damage you might cause to other people or their property. This means that you

will not be covered for damage to your vehicle, fire, theft etc. Your insurers will also need to know if you are towing a caravan or trailer. If your eligible vehicle has a manufacturer's or other mechanical warranty, we will provide emergency assistance but you are responsible for ensuring subsequent repairs are in accordance with the warranty and do not invalidate it.

Service in the Territory for a journey to the European Territory

Section 1

Temporary replacement car in the Territory on the outward journey to or inward journey from a planned journey in the European Territory.

We will pay:

Cost of self-drive hire car including collision damage waiver and replacement Green Card as necessary:

- to carry out the planned journey if as a result of an accident, fire or theft within 7 days of your declared departure date the eligible vehicle cannot be repaired or recovered (in the case of theft) in time for departure on the declared date, or
- to complete the planned journey if your eligible vehicle breaks down on the way to the port of departure and we confirm that it cannot be repaired in time for departure.

We will not pay:

Fuel and oil costs, personal insurance or any other extra costs.

Important self-drive car hire information:

We will normally try to arrange a hire car equivalent to, but not necessarily the same as, your eligible vehicle, if there is one available. If your eligible vehicle was an MPV or similar vehicle we may arrange two hire cars. We will only arrange this if there are two qualified drivers in your party. Otherwise we will arrange alternative means of transport.

Car hire arranged under European Breakdown Cover will be subject to the normal conditions of the hiring company. We use reputable car hire companies with market standard terms and conditions which the driver must fully comply with. You must also have held a full UK driving licence or equivalent for a minimum of one year (two years for France). You must present your driving licence to the hire company and present your full UK driving licence, National Insurance number and any other information requested.

Your credit card details will also be required by the hire company and the card must be presented to the hire company as security for the hire and to cover extras such as top up of the fuel tank when returning the vehicle.

Please note: we cannot guarantee a hire car will be available. We cannot arrange the hire of motorised caravans, motorcycles, convertibles or vehicles with tow bar, roof rack or automatic gearbox and cannot guarantee the hire of mini buses or vans. European Breakdown Cover does not extend cover to a self-drive hire car arranged for you under the terms of European Breakdown Cover.

See also the notes on Collision Damage Waiver and crossing international borders in section 6

Important self-drive hire car information.

Section 2

Roadside assistance and recovery in the Territory on the outward journey to or inward journey from the European Territory.

We will pay:

On the outward journey from home to the departure port and on the inward journey from the arrival port to home, if you are stranded on a public highway through breakdown of your eligible vehicle:

- assistance from RAC Patrol or garage/repair service to repair your eligible vehicle at the roadside if possible or where in our opinion we are unable to repair locally or within a reasonable time, or because repairs are unwise, to tow your eligible vehicle to a local garage.

Note: Following an accident, fire, theft, vandalism, or other incident normally covered by a motor insurance policy, we will provide assistance at the roadside. However, you will be liable for the cost of any towing which is then necessary for removal of your eligible vehicle.

- if in our opinion your eligible vehicle cannot be repaired locally or within a reasonable time or because repairs are unwise, we will pay for either a recovery service to return your eligible vehicle and up to eight persons including yourself to your home or to a nominated repairer in the Territory. If we recover your eligible vehicle and there are more than five people travelling in it, we may use two separate vehicles for the recovery. An adult must accompany any children

We will not pay:

The cost of any parts used for roadside repairs or the cost of any garage repairs, including labour.

Costs covered by your eligible vehicle's warranty.

Towing costs for the removal of your eligible vehicle following an accident, fire, theft, vandalism or other incident normally covered by a motor insurance policy.

Service while abroad in the European Territory

Section 3

Roadside assistance procedure in the event of breakdown on a motorway in the European Territory.

If your eligible vehicle breaks down on a motorway in the European Territory, use the roadside emergency telephones where provided. You cannot normally call RAC Control Centres from these.

You will be connected to the police or authorised motorway service, who will send a breakdown/recovery vehicle to you. Please note that due to local legislation the RAC Control Centre may not be able to send a breakdown recovery vehicle to a motorway location.

In France the same procedure applies if you break down on a motorway service area.

If you are towed from a motorway it will normally be to the recovery company's depot. Contact the RAC Control Centre as soon as you can, from the recovery company's depot if possible.

Note: you may have to pay labour and towing charges on the spot and an authorised tariff is normally applicable. However, this will only be to the recovery company's own depot in the case of any tow. These items are covered by European Cover and you should obtain a receipt to claim a refund on your return home.

We will pay:

1. Attendance of local breakdown service or garage to repair your eligible vehicle at the roadside if possible, or tow it from the place of breakdown or accident to the nearest local repairer where you may arrange and instruct repairs.
2. In the event of breakdown:
 - a limited contribution up to £150 towards labour charges, if the local repairer is able to effect repairs necessary to enable your eligible vehicle to continue the journey on the date of the breakdown; or

- inspection fees to confirm that your eligible vehicle cannot be repaired by your return travel date.
3. Storage charges for your eligible vehicle while awaiting repair or repatriation.

We will not pay:

1. Repair costs, including labour, other than as set out above under 2.
2. Repair costs if your eligible vehicle was in an accident, damaged by fire or stolen, or if it is uneconomical to repair.
3. The cost of parts used for roadside or garage repairs.
4. The cost of any repairs not directly necessary to enable your eligible vehicle to continue the journey on the date of the breakdown.
5. Costs covered by your eligible vehicle's warranty.

Section 4

Spare parts despatch

We will pay:

Freight, handling and ancillary charges for despatch of spare part(s) necessary to complete repairs to your eligible vehicle but which are not obtainable locally. The fare for one person to collect part(s) from the appropriate railway station or airport.

We will not pay:

The cost of parts themselves, which must be paid on receipt. When telephoning the RAC Control Centre you will be asked for your credit card details. Alternatively you will be asked to pay for the part(s) direct to the repairer.

Any despatch costs for parts that are not necessary to complete repairs to your eligible vehicle.

Section 5

Additional accommodation expenses

We will pay:

A contribution of up to £35 per person per day towards necessary additional (not alternative) accommodation expenses for room only while you wait for your eligible vehicle to be repaired, providing the appropriate RAC Control Centre can confirm repairs to your eligible vehicle will take more than 12 hours, or if it is to be repatriated to the Territory. You should make your own hotel arrangements, but in France or Monaco only you may request assistance from the RAC Control Centre in Lyon to make hotel arrangements.

We will not pay:

The costs of meals or any other extra costs.

We reserve the right to limit or refuse any "Additional accommodation expenses" if your eligible vehicle is a motor home or caravan designed or modified to be used as accommodation and in our opinion can still be used as such.

Section 6

Journey continuation or return home

This benefit is not available at the same time as Section 5 "Additional accommodation expenses".

We will pay:

A contribution to travel expenses for you and your party to continue the planned journey during the period your eligible vehicle is not roadworthy or to return home by direct route, if the appropriate RAC Control Centre can confirm repairs to your eligible vehicle will take more than 12 hours, or if it is to be repatriated to the Territory.

This benefit is also available if your eligible vehicle is stolen and not recovered within 24 hours. In this event a police report must be obtained. However, this benefit will cease if and when your eligible vehicle is recovered in a roadworthy condition.

Expenses can comprise up to 14 days self-drive car hire including collision damage waiver (see Collision Damage Waiver note in section 6 **Important self-drive hire car information** below) and replacement Green Card as necessary, or second/standard class rail, or a combination of both.

Arrangements for self-drive car hire under this Section 6 must be made by the appropriate RAC Control Centre.

Where it is estimated repairs will take only a few days, we will only pay for your party staying and claiming additional accommodation until repairs are completed. If repairs will take longer, a self-drive hire car or other transportation will be arranged to get your party to your planned destination. When your eligible vehicle is repaired or recovered in a roadworthy condition the cost of a self-drive hire car or other transportation for one person is covered to return to collect it. The RAC Control Centre, after consultation with you, will decide the best option.

We will not pay:

Fuel, oil, personal insurance, any collection charge if a hire car is left at a different location to that arranged with the car hirer and any other extra costs in connection with self-drive hire car.

The cost of any car hire beyond the period agreed with the appropriate RAC Control Centre. The cost of any car hire not arranged by the appropriate RAC Control Centre.

Any car hire expenses after your eligible vehicle is repaired except for the direct journey to return and collect it.

First class rail fares.

Any costs under this benefit if they are for services you used at the same time as Section 5 – “Additional accommodation expenses”.

Important car hire information

Car hire arranged under European Breakdown Cover will be subject to the normal conditions of the hiring company. We use reputable car hire companies with market standard terms and conditions which the driver must fully comply with. You must also have held a full UK driving licence or equivalent for a minimum of one year (two years for France). You must present your driving licence to the hire company and present your full UK driving licence, National Insurance number and any other information requested.

Your credit card details will also be required by the hire company and the card must be presented to the hire company as security for the hire and to cover extras such as top up of the fuel tank when returning the vehicle.

Collision Damage Waiver (CDW). Please note that many car hire companies across Europe charge a damage excess which is not covered by the collision damage waiver (CDW). This means that if the car is damaged during the hire period you could be liable for the first portion of the cost, which is likely to be over £150, and have your credit card charged. The amount could be much higher and varies according to hire company, category of hire car and location. The CDW covers the amount above the excess.

In some parts of Europe hire cars are not allowed to cross national borders. In Greece international drop-offs are not permitted. It may be necessary therefore to arrange two hires or alternative transport to complete your journey. A car hired abroad must not be brought into the United Kingdom. A second car hire will be arranged for the United Kingdom part of your journey.

Please note: we cannot guarantee a hire car will be available. We cannot arrange the hire of motorised caravans, motorcycles, convertibles or vehicles with tow bar, roof rack or automatic gearbox and cannot guarantee the hire of minibuses or vans. European Breakdown Cover does not extend cover to a self-drive hire car arranged for you under the terms of European Breakdown Cover.

Section 7

Replacement driver

We will pay:

Cost of providing a replacement driver to drive your eligible vehicle and your party to your destination or return home if a registered doctor declares you medically unfit to drive and you are the only qualified driver.

We will not pay:

Replacement driver cost if there is another qualified driver in your party who is fit to drive.

Any expenses which you or your party would have had to pay.

Section 8

Accidental damage to or loss of tent

We will pay:

Up to £35 per person per day contribution to accommodation expenses if during the period of cover you are camping and your tent is damaged accidentally making it unusable, or it is stolen. Alternatively, we may at our option authorise the cost of a replacement tent. If your tent is stolen you must obtain a police report within 24 hours.

We will not pay:

The cost of meals or any other extra costs.

Damage caused by weather conditions.

The cost of a replacement tent not authorised by us.

Any costs if your tent was stolen and you do not obtain a police report within 24 hours.

Section 9

Urgent message relay service

We will pay:

Cost of relaying urgent messages from the RAC Control Centre to your immediate relatives or close business associates if your eligible vehicle cannot be driven because of breakdown, accident or fire or it is stolen.

We will not pay:

Cost of relaying any urgent message not arranged through the RAC Control Centre. The cost of non-urgent messages or messages to persons not described under “we will pay”.

Section 10

Your eligible vehicle repatriation to the Territory

We will pay:

The cost of taking your eligible vehicle by road transporter from the garage in the European

Territory to your home or chosen Territory repairer for repair in the Territory, if the RAC Control Centre can confirm with the garage in the European Territory that repairs cannot be completed by your planned return date to the Territory and providing the cost is not more than the UK market value* of your eligible vehicle. Please also note that we will pay only up to the overall claim limit for the journey. You will be liable for any costs in excess of the overall claim limit and your credit card account will be charged for those additional costs.

If your eligible vehicle is declared a “write-off” by the vehicle’s insurers, we will pay the cost of packing and freighting the baggage in the vehicle.

Note: When repatriation is authorised it normally takes 10-14 working days for delivery to a Territory address from most European Territories. At busy times it may take longer.

*UK market value as per Glasses Guide or equivalent.

We will not pay:

Claims for any repatriation not authorised by the RAC Control Centre. The cost of repatriation if this is more than the UK market value of your eligible vehicle. The cost of repatriation if your eligible vehicle is roadworthy.

Any costs in excess of the overall claim limit.

If your eligible vehicle has been fitted with a roof box or bicycle rack, you must remove and place it inside your eligible vehicle. The roof box keys need to be left with your car keys in the event that Customs and Excise require access.

Important: If you are making a claim against your motor insurance in the event of an accident, fire, theft or break-in we require their agreement before repatriating your eligible vehicle. We also reserve the right to negotiate with them to reclaim costs incurred by us under this policy.

Section 11

Customs claims indemnity

We will pay:

Continental or Irish Customs claims for duty (a) if the eligible vehicle is beyond economic repair as a result of fire or theft abroad during the journey and it has to be disposed of abroad under Customs supervision, or (b) it is stolen abroad during the journey and not recovered. We do not accept responsibility for manufacturers' or suppliers' errors, loss or damage of parts in transit or any delay in delivery.
- Please note that spare part(s), especially for older vehicles, may not be available or may be difficult to locate. This may impede or prevent us dispatching spares.

Accident Care

Accident Care services in the Territory

Accident Care is a service offered by RAC Legal Services as part of RAC Breakdown Cover. The Accident Care services are available to you if you have been involved in a road traffic accident in the Territory. The Accident Care services are subject to all the relevant terms, costs and exclusions set out elsewhere in this RAC Breakdown Cover policy, in addition to the terms set out below.

Accident Care Services

At the Scene

These are the services that we can provide to you at the scene:

Advice

When you phone, we will give you advice on a wide range of issues, including what information you need to collect, whether you need to contact the police, and how to deal with the other party.

Vehicle driveability check

Through asking you a series of questions, we will assist you in determining the driveability of your vehicle.

Liability assessment

We can if we have enough information give you a preliminary view on who we think is liable and advise you how to deal with the situation.

Please note that many of the above services can also be provided to you once you have left the scene of the accident.

Further Services

These are the services we provide to you once you have left the scene:

Call back – at a time to suit you

We will call you back to deal with any other issues that you may have and to take our advice and assistance to the next level.

Legal advice

We can advise on many legal issues (regardless of fault), including uninsured losses, repair problems, traffic offences, consumer disputes and the best ways of getting the best value for your vehicle if it is a write-off.

Replacement Vehicle

If you are not liable for the accident and the other party's insurer agrees with this (and in certain other circumstances at an additional cost) we can provide a like-for-like temporary replacement vehicle until your car is repaired, or until you buy a replacement. This will be subject to certain restrictions and the terms and conditions of the vehicle supplier.

Personal Injury Claims Service

We can provide a personal injury consultation with a qualified legal professional and where possible pursue a personal injury claim on your behalf where we believe you have a good case.

Accident Care Terms and Conditions

1. Accident Care will only be provided following your involvement in a road traffic accident in the Territory (please note that restrictions on certain services may apply in Northern Ireland).

2. We can stop providing you with Accident Care at any time if we reasonably believe (at our discretion) that the service you are requesting goes beyond the scope of Accident Care or will cause us to incur unreasonable costs on your behalf (for example, if any claim is disputed by your motor insurer, we will not be obliged to assist you in pursuing the claim). This will not affect your membership with us for any other services.
3. The Accident Care service is not an insurance policy.
4. Any contract for goods or services we obtain on your behalf will be between you and the third party supplier (unless we notify you otherwise). We will not be responsible for the terms of any agreement with a third party supplier, or for the implications to you of entering into a contract on those terms. Such contract will be subject to the terms and conditions. You should therefore check the terms of any such agreement carefully, to ensure that you are happy with them.
5. There may be additional charges for goods or services we arrange on your behalf including, but not limited to, services such as the sourcing of car hire or car repair. You will be notified of any additional charges (either by us or the third party supplier) before you are obliged to enter into any contracts with any third party suppliers.

European Breakdown Cover for Travel Pack Service Limit for Travel Pack customers:

- European Breakdown Cover is only provided for a maximum period of 90 days for any one journey. You may make up to two claims against valid European Breakdown Cover in a membership year and each claim must be for a separate journey.

Battery related faults

For battery related faults your cover is as follows:

- Our initial attendance for a battery related fault is included. There is no charge for that attendance.

- Our patrol will test your battery on the initial breakdown attendance. If the battery is no longer serviceable and so fails the test you will be advised to replace it.
- If you call us out again within 12 months of the initial attendance for the battery related fault and we identify the same fault as a problem caused by the same battery, you will have to pay an additional charge which will be notified to you at time of the call-out. That charge will be no less than £75.
- You will be charged separately for any such additional charges.

Duration of cover

Your RAC Breakdown Cover is only available if you have the Travel Pack added to your Qualifying Account. Subject to your right to cancel (see below), the cover is from month to month. Your RAC Breakdown Cover may also be terminated or the terms may be changed by Barclays giving you 30 days' notice in writing.

Cancelling your cover

You have a statutory 14 day period in which to cancel your insurance contract. This period begins on the date the Travel Pack is added to your Qualifying Account or the date you receive your policy document, whichever is the later. As your insurance contract forms part of your Travel Pack, cancellation of your insurance contract will also require your Travel Pack to be closed.

If you cancel within this period and have paid your first monthly Travel Pack fee, it will be refunded provided there has been no claim or incident likely to give rise to a claim.

For your cancellation rights outside the 14 day cooling off period please refer to the 'Changing or ending a Pack' wording contained in the terms and conditions at the front of this Welcome Pack.

Arranged Overdraft Interest Charges

Customers can no longer take this Pack. This Pack hasn't been available to new customers since 20th March 2020. If you already hold this Pack on your Barclays Bank Account, and you apply for an arranged overdraft the first £100 will be interest free.

An overdraft limit is a borrowing facility which allows you to borrow money through your current account. Arranged overdrafts, including interest free amounts, are subject to application, financial circumstances and borrowing history, so the amount offered may be different to that shown in the examples below. Overdraft facilities are repayable on demand and you must be 18 or over and a UK resident to apply for one.

If you cancel your Travel Pack

If you only hold this Pack and you cancel it, you won't be entitled to the interest-free amount on any overdraft you have on your Barclays Bank Account. If you will still hold another Pack or add a different Pack, you may no longer be entitled to the interest-free overdraft amount as it depends on the type of pack you hold. Please refer to the relevant welcome pack(s) which can be found on [barclays.co.uk/current-accounts/welcome-pack/](https://www.barclays.co.uk/current-accounts/welcome-pack/) or contact us. The removal of your interest-free amount won't affect your overdraft limit, but it will mean you'll pay interest charges whenever you go overdrawn.

How does my overdraft compare?

A good way to compare the cost of our overdraft with other overdrafts or other ways of borrowing is to look at the APR. The APR shows the cost of borrowing over a year.

| Account type | Interest charges | Representative example |
|--|--|---|
| Barclays Bank Account with Overdraft Tier (where your Pack benefits include the interest free overdraft) | Overdraft interest is calculated for each day that you are overdrawn and is charged to your account monthly. The maximum arranged overdraft is £5,000 | 0% interest (variable) payable on arranged overdrafts up to £100. If you use an arranged overdraft above this amount the annual rate of interest is 35.0% (variable) 51.6% APR Representative (variable), based on a £1200 overdraft balance and monthly Travel pack fees of £14.50. |
| Premier Current Account, Student Additions, Higher Education Account | If you already hold your Travel Pack on one of these accounts, no additional interest free arranged overdraft amount is available as a result of you holding the pack. You can find out more by visiting www.barclays.co.uk/overdrafts | |
| Barclays Basic Current Account | There are no arranged overdraft facilities available on Barclays Basic Current Account. | |
