

Your Tech Pack

 **BARCLAYS**

No longer available to new customers from March 2021

This Pack isn't available for new applications, so once you close it, you won't be able to purchase another one. When you cancel your Pack, you won't pay the monthly fee and the Pack's benefits will end so you'll no longer be covered. You can still claim for something that happened while you were insured. Similar products are available with different features, benefits and terms and conditions.

Welcome to your Barclays Tech Pack

Enjoy the peace of mind of knowing that with Tech Pack, the devices that are most important to you, including your mobile phones, are covered, all for £14.50 a month. You can find information regarding the type, value and number of devices that can be covered in the policy document.

*How does this work?

Example for Mobile Phones: if Your first approved claim for Loss or Theft is on 1st January and Your second approved claim for Loss or Theft is on 1st July, You will not be able to make any further Loss or Theft claims under this Policy until 1st January the following year. You would still be able to make 2 claims for Accidental Damage and Breakdown.

If You reach Your claims limits for Mobile Phones and Gadgets within the 12-month period, this Policy will be automatically cancelled. You'll need to apply for a new Pack if You want cover for Your Devices. If You apply for a new Pack, the year one Excesses will apply.

It is important to remember that Your claim limits for Mobile Phones and Gadgets are independent of each other. If You have reached the annual claim limit for Mobile Phones, You can still make claims for Gadgets and vice versa.

The Excesses that will apply in relation to each type of claim under the Policy will be higher during the first year that You hold the Policy. The Excess that applies will be the Excess in place on the date the incident occurred, not the date on which You make Your claim.

Barclays Pack terms and conditions

In these terms and conditions:

- **'we', 'us' and 'our'** refers to Barclays Bank UK PLC and Barclays Insurance Services Company Limited, unless stated.
- **'Pack holder'** is the person who made the application to purchase the Pack.
- **'Partner'** is the person nominated by the Pack holder, who lives at the same address.
- **'UK resident'** means a person who spends at least 183 days a year within England, Wales, Scotland or Northern Ireland.

If you have a Barclays current account

You can apply for a Pack through Online Banking, the Barclays app or visiting a branch.

These terms cover your Pack. If there's inconsistency between these and the Retail Customer Agreement, these terms take priority in relation to the Packs.

A Pack is a set of services (such as insurance) available to any eligible person aged 18+ for a monthly fee. You can only purchase a Pack and claim the benefits included in it if you are a UK resident.

Each of the benefits and services in the Packs is provided to you under a separate agreement with the provider of the relevant benefits or services and the provider is responsible for providing the relevant benefits and services to you. The provider may be a company within the Barclays group of companies or by a company outside that group.

Eligibility for Pack benefits

Before choosing a Pack, you should check that you are eligible for the benefits under each policy or feature. We will provide information and ask you questions to help you do this.

What you pay

You pay a monthly fee in advance for each Pack purchased, as set out in the 'Statement of Price' within the 'About Our Insurance Services' section. The Pack fee includes Insurance Premium Tax at the current rate. The monthly fee is the cost of the Pack as a whole. No part of any Pack fee is attributable to any particular benefit or service in your Pack. You will not be entitled to a refund

or reduction in the Pack fee if you choose not to use a benefit or service, you're not eligible for a benefit or service, or it's not otherwise available to you. You must have a Pack for a minimum term of six months from the date you purchase the Pack (unless we say otherwise in these terms), after which you can close the Pack at any time.

You may be able to add additional features to the services included in a Pack and we'll tell you what these cost before you choose to add them.

By agreeing to these terms and conditions you provide Barclays authority to:

- (i) debit a part payment of the monthly Pack fee to cover the period from the date on which you purchase the Pack, up to the last day of that month; and thereafter
- (ii) debit the monthly Pack fee
- (iii) apply a change in the monthly Pack fee subject to the appropriate notice period.

All payments will be taken in advance from your Barclays current account on the first working day of the month on an ongoing basis until your Pack is cancelled. You must ensure you have sufficient credit funds in your Barclays current account to cover the monthly Pack fee, otherwise you may incur borrowing charges in line with any arrangement you have with us.

Keeping each other informed

We need you to tell us about changes to your situation or personal details, and we'll keep you informed about certain things that affect you. Information will only be sent to you, the Pack holder.

How we contact you

We'll contact you, the Pack holder, using the details you have given to us. This may include using your landline phone, mobile, email or home address. If you have a Barclays current account, we may also contact you through Online Banking or the Barclays app if you use these.

You can tell us how you want us to contact you, for example by post or your available digital channel. Where we can, we'll contact you using your preferred method. We may not always be able to do this – for example, sometimes the law may require us to send you something by post. If we send information to you at the most recent postal address you have given us and it's returned to us as undelivered, we'll stop using that address unless we are required by law or regulation to send you information.

If you have not told us how you'd prefer us to communicate, then we'll normally contact you by email. If we send you information through Barclays Online Banking, we'll text you or send you an email or other electronic message reminding you to view any new message we've posted. Where we do this, we won't normally send documents to your home address as well (unless we have to or you have asked us to).

Once we've sent a message to you, we'll assume you have received it. So it's important to look out for notifications like emails or texts from us.

We are always working to make our services more convenient and flexible so we may introduce new ways of communicating with you in the future.

Help us to keep your information private

It's your responsibility to control who reads your information. When you choose how you would like us to contact you, you should choose a method that will be most secure for you. If you use a method that other people can access or read (such as a shared email address or shared mobile number), please be aware that these people will also be able to access the information we send you.

Keeping your details up to date

When we send information to you, we'll send it to the most recent contact details we have for you. If these details change and you don't tell us straight away, you may not receive information that could be important – or it could fall into the wrong hands. If you have given us contact details (even if you think we don't use some of them, such as your mobile phone number), you must let us know if they change. This will include your:

- home address
- email address
- landline phone number
- mobile phone number.

It's very important that you also keep us informed if there are any changes to your situation, personal details or any other important changes that are relevant to us – for example, if you:

- change your name
- move to another country and are no longer a UK resident.

If you don't keep all your details up to date, this might affect your eligibility for Pack(s), or how they work. This is also so we can continue to manage your Pack(s), and communicate with you

including notifying you of changes. We also respect your privacy and we don't want to send you unwanted information.

If you wish to remove or change the Partner named on the Pack(s), we'll close your Pack(s) to do this before opening a new Pack(s). The minimum term will re-start upon the purchase of a new Pack(s).

Contacting us

You can always contact us through your available digital channel, or other electronic methods we tell you about. You can also contact us by telephone using the details we give you, by visiting a branch or by post. We'll let you know if our details change.

You can contact us by any of the following methods:

- Log in to the Barclays app and select the 'call us' feature
- By telephone on **0800 158 3199**
- Visit your local branch
- In writing to **Barclays, Leicester LE87 2BB**.

Closing your Pack or leaving Barclays

When this Pack is removed, you'll no longer be entitled to the benefits or services it provided. This may include any interest-free arranged overdraft made available to you with this Pack.

Minimum term

You must have a Pack for a minimum term of six months from the date you open the Pack, after which you can close the Pack at any time.

There are some exceptions to this minimum term requirement. You may close your Pack:

- within the 14-day cooling-off period as set out above
- if you experience financial hardship due to a significant change in personal circumstances, for example, you're declared bankrupt
- if you're no longer resident in the UK
- after we have notified you of an unfavourable change to the terms of the Pack you hold, such as an increase in price or a change in what the Pack provides (provided that you do so before the change takes effect).

If you tell us you want to close your Pack, closure will take effect on the day that we receive notice from you (so the insurance and your right to receive any of the other services within the Pack will end on the date we receive your notice). You

will receive a part refund for the remaining number of days in that month, including the day we receive your notice. You won't be able to use any benefits or services linked to it any more although you can still make a claim for an event which occurred whilst you were insured.

We will not let you re-select the same Pack for 12 months if you cancel it within the minimum term, your Barclays current account is closed by Barclays Financial Assistance or if you do not comply with these terms and conditions.

You are unable to cancel individual insurance Pack products, only the whole Pack.

You can cancel your Pack within the Barclays app, Online Banking, by calling us, visiting a branch or writing to **Barclays, Leicester LE87 2BB**.

When we can close a Pack

We can close a Pack by giving you at least 30 calendar days' notice. This also applies during the minimum term. However, we may close your Pack immediately or on less notice if we reasonably believe you have seriously or persistently broken any terms of the agreement or we reasonably believe any of the following applies:

- you put us in a position where we might break a law, regulation, code or other duty that applies to us if we maintain your Pack
- you give us any false or inaccurate information at any time
- you commit (or attempt) fraud against us or someone else
- you behave in a threatening or abusive manner to our staff
- you become bankrupt
- your Barclays current account is closed by Barclays Financial Assistance.

The insurer may also cancel the insurance policies within Tech Pack as set out in the terms and conditions of the policy document.

Using the Current Account Switch Service

If you decide to switch your current account from us by using the Current Account Switch Service, your Pack will be closed on the same day that your Current Account is closed.

Changes we can make to this agreement

Sometimes we'll want or need to change things, such as charges or terms of our agreement. For most changes, we'll tell you in advance, but we don't always need to do this.

We review the Packs from time to time and may make changes to them, including the benefits and services included in a Pack or the providers of these or the monthly Pack fee. We may also make changes to the terms on which each benefit is provided (such as changes to the terms of an individual policy). We'll give you 30 calendar days' notice before any changes apply.

If we make changes to a Pack, we will provide information about you to any new provider to make sure there is no interruption in the benefit or service you receive. The new provider will use your information to provide you with the benefits and services.

Changes we need to tell you about in advance

We may make changes to your agreement with us because:

- we're changing a service we already offer, or introducing a new service that needs a change to the terms of this agreement, such as introducing a new charge
- we're changing the agreement to be in line with the banking industry and our competitors
- we're withdrawing a service or type of Pack
- we're moving you from one type of Pack to another for a good reason – examples of this include where we're withdrawing a Pack
- we need to make changes to take account of developments (or changes we reasonably expect to help) in technology (including the systems we use to run our business), or in the banking system generally
- our agreement or the Pack is affected by a change in the law or regulation (including industry codes we follow) or decisions of the Financial Ombudsman, a regulator or court
- changes in our costs (including changes we reasonably expect to happen) mean we need to change or introduce charges.

Because you may have your Pack with us for many years, we need the flexibility to manage our business long term, including providing a sufficient financial return for us to operate our business in a

prudent and sustainable manner. We can't predict everything that may affect our business, so there may be other reasons we have not set out above when we need to make a change. But please be assured we'll only make changes we think are fair and will give you 30 calendar days' notice of the change unless we are prevented from doing so by law or regulation, or the change is in your favour.

If we give you notice as set out above and you don't tell us you want to close your Pack, then we'll treat you as having accepted the change. If you don't want to accept the change and want to end this agreement and close the Pack, you must tell us before the proposed change applies.

Changes we don't need to tell you about in advance

We don't have to tell you about changes to these terms and conditions (or changes in the insurer terms and conditions) in advance when any of the following happen:

- if the change is in your favour
- we make a change because a change in law or regulation says that we have to by a particular date, and there isn't time to give you notice.

Instructions for your Pack(s)

We will only accept instructions from the Pack holder about the Pack (including to change your contact preferences and to apply for new Packs, products and services).

Your partner will be able to register a product, if required, or make a claim for the Pack benefits or services. They cannot provide any other instructions in relation to the Pack.

If you think your security has been compromised

If you think someone (except someone you have asked to provide Pack information) has used or is able to use any of the means of access to your Pack, you must tell us as soon as you can by using the contact details shown in the 'Unauthorised access to your Pack?' section.

If you have a Barclays current account, we can arrange to temporarily suspend access to a service (such as Telephone Banking) to prevent anyone misusing your Pack(s).

You must give us any information we ask for about what has happened. We'll pass this to the police if we have to, or if we think that will be useful.

Unauthorised access to your Pack

If you think someone could have got unauthorised access to your Pack, call us right away:

- **0800 400 100*** – 24 hours
- **+44 2476 842 099*** – if calling from outside the UK

Complaints and the protection you have

If you have a complaint

We want to hear if you feel unhappy with the level of service you have received from us. If this relates to your claim, we recommend you contact the insurer to avoid any delay. Details of how to contact the insurer are set out in your policy documents.

Your feedback gives us the opportunity to put matters right and improve our service to all our customers. A leaflet detailing how we deal with complaints is available on request in our branches, from the Barclays Information Line on **0800 400 100*** or at [barclays.co.uk](https://www.barclays.co.uk).

You can contact us to complain by any of the following methods:

- log in with your Online Banking details and select 'contact us' from the top menu
- log in to the Barclays app and select the 'call us' feature
- by telephone on **0800 282 390**
- in writing to **Freepost Barclays Customer Relations**.

If we do not resolve your complaint internally to your satisfaction, you may be able to refer it to the Financial Ombudsman Service (FOS):

- in writing to **Exchange Tower, London E14 9SR**
- online on [financial-ombudsman.org.uk](https://www.financial-ombudsman.org.uk)
- by email to complaint.info@financial-ombudsman.org.uk
- by telephone on **0800 023 4567**.

The FOS is an organisation set up by law to give consumers a free and independent service for resolving disputes with financial firms. You can get details of those who are eligible complainants from the FOS.

Nothing in these terms, including referral to the Financial Ombudsman Service, affects your statutory rights.

1. **The Excess.** You will need to pay an Excess for each approved claim, including where a Cash Settlement is offered, and the Excess must be paid to Likewise before Your claim will be settled. To understand which Excess amounts apply and when, please refer to the “How to File a Claim” section of this document.
2. **Gadgets over 5 Years Old.** If Your Gadget is more than five years old, as determined by the date You purchased Your Gadget, at the time You submit Your claim, it will not be covered. If You are unable to provide Likewise with Your Gadget’s proof of age, Your claim will be denied.
3. **Loss of Gadgets.** You will not be covered for loss for any gadget.
4. **Gadget Types.** You will not be covered for laptops, MacBooks, drones, digital cameras, SatNavs, stationary gaming systems, televisions, audio visual equipment, and smart appliances or any other item that is required to be plugged into the mains electricity supply or other item continuously in order to operate.
5. **Failure to Take Reasonable Care of Your Device.** If You don’t take care of Your Device and thereby knowingly put the Device at risk, Your claim may be denied.
 - For example, if You intentionally do any of the below and Your Device is subsequently Lost, Stolen, or Damaged, Your claim may be denied for failing to take reasonable care of the Device:
 - leaving Your Device somewhere others can easily see and access it without securing the Device (if available), such as on a bench in a gym’s changing rooms instead of locking it in a locker or leaving it on a café table and leaving to pick up Your order;
 - leaving Your Device in Your car where it is clearly visible to others, such as uncovered on the front seat;
 - leaving Your Device in the care of someone You don’t know well.

All the examples illustrated above increase the risk that Your Device may be Lost, Stolen or Damaged and may result in a denial of Your claim. These are only examples and are not the only reasons a claim could be denied. The circumstances of Your claim – where You were and what You were doing – will always be considered when Likewise assesses whether You took appropriate care of Your Device.

6. **Cosmetic Damage.** This Policy does not cover Damage that does not interfere with the normal functioning or operation of Your Device, and/or would not lead to injury or further Damage to You or the Device. If it is just a scratch or dent and Your Device still works as expected, Likewise will not repair or replace it. For example, while a scratched screen on a Mobile Phone that does not interfere with the normal operation of the Mobile Phone would not be covered, a cracked screen that could lead to further Damage of the Mobile Phone would be.
7. **Contents or Data of Your Device.** Only the Device is covered, not the contents or data. This means that any pictures, software, downloads, apps, music or any other content is not covered by this Policy, so please make sure to back up Your content and data regularly.
8. **Claims Limit.** You will not receive cover for:
 - more than 4 approved claims for Mobile Phones (of which 2 can be for Loss or Theft); and
 - more than 4 approved claims for Gadgets (of which 2 can be for Theft)in any one rolling 12-month period. The 12-month period will start from the date of the first approved claim. If You reach Your claims limits for Mobile Phones and Gadgets within the 12-month period, this Policy will be automatically cancelled with immediate effect. You will need to apply for a new Pack if You want cover for Your Devices. If You apply for a new Pack, the year one Excesses will apply.
9. **Devices purchased for more than £1,500.00.** If You purchased Your Device for more than the maximum non-discounted price of £1,500 (including VAT), it is not covered by this Policy.
10. **Devices purchased from online marketplaces.** This Policy does not cover any Devices purchased from online marketplaces such as Ebay, Facebook Marketplace etc.
11. **Unauthorised Call or Use and Other Losses.** This Policy does not cover any cost or loss that can't be resolved by the repair or replacement of Your Device. Any loss of profit, opportunity, goodwill or similar losses, or losses that may arise from unauthorised use of Your Device, including unauthorised calls or mobile applications on Your Device – such as mobile payment applications – are not covered. This Policy will not provide any coverage for unauthorised calls or use if Your Device is Lost or Stolen.
12. **Third Party Liabilities.** This Policy does not provide coverage for any personal injury or property damage caused by the Device or usage of the Device, regardless of whether any negligence was found to be a contributory factor in the resulting loss or damage, provided that nothing in this Policy in any way limits or excludes Likewise or Our liability for personal injury or death resulting from Likewise or Our negligence.
13. **Any device that is not a Mobile Phone or Gadget. Please carefully review the definitions, which also give a non-exhaustive list of examples of what is, and is not, covered.** If You are not sure if Your item is eligible for coverage as a Mobile Phone or Gadget, please contact the Likewise customer helpline on **0345 528 0182** or visit **techpackinsurance.co.uk** for more information.
14. **Modifications.** Any modifications that have been made to Your Device are not covered. Likewise will only arrange for Your Device to be repaired or replaced as it was originally designed.
15. **Counterfeit Devices.** This Policy only covers original OEM Devices and replacements that Likewise provides to You and does not cover Counterfeit Devices. Where Likewise receives a claim for any non-OEM original Device, Likewise will return the Device to You unrepaired and the claim will be declined. If Likewise discovers the Device to be a Counterfeit Device after it has supplied a replacement as settlement for a successful claim, it will take steps to disable and recover the Device and return the Counterfeit Device to You.
16. **Devices passed into the care of a business or individual for the purpose of receiving a service from that business or individual.** If anything happens to Your Device while in the care or custody of that business or individual, that incident will not be covered by this Policy. For example:
 - Delivery service other than a postal or courier service designated by Likewise or Us.
 - Device repair service (other than the repair provider designated by Likewise).
 - Device customisation service.

17. **Sanctions.** We shall not be deemed to provide cover and We shall not be liable to pay any claim or provide benefit hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose Us, Our parent company or Our ultimate controlling entity to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the United Kingdom, European Union or the United States of America.
18. **Any loss incurred as a result of the sale or attempted sale of Your Device.** This Policy does not cover any loss related to the sale or trade of or attempted sale or trade of Your Device. When You attempt to sell or trade Your Device, You have intentionally passed Your Device to an individual or business and, therefore, no Loss or Theft has occurred.
19. **Device Accessories.** Any Loss, Theft, Damage, or Breakdown of any Device accessories will not be covered. This Policy only covers the cost of repair or replacement of the Device itself. Please note that watch straps are considered to be an accessory and should be removed and not returned to Likewize.
20. **Gifts.** If You gift a Device to a person who is not a Family Member and does not live with You, this Policy does not provide coverage for the gifted Device.

Policy Conditions – What You Need to Do:

1. **Register Your Device.** If You have not already done so, You must register Your Device at the time You make a claim. Please see the “Register Your Devices” section above for information on how to register Your Devices.
2. **Take reasonable care of Your Device**
 - Don't intentionally leave Your Device where it is likely to be Lost, Stolen or Damaged. If You wouldn't leave Your wallet or other valuables there, You shouldn't leave Your Device there.
 - If You leave Your Device somewhere, lock it away out of sight if possible. If the Device can't be secured, leave it with someone You trust or concealed out of sight.
 - If You think You've Lost Your Device, try to find it. Look for Your Device to make sure You haven't simply misplaced it, call the places where the Device may have been Lost, and if safe, revisit the places You may have Lost it.

The circumstances of Your claim – where You were and what You were doing – will always be considered when Likewize assesses whether You took reasonable care of Your Device.

3. **If Your claim is for a Lost or Stolen Network-Enabled Device, report the Loss or Theft to Your network provider as soon as You can as You will be responsible for any further network charges.** Please make sure You ask Your network provider to block the SIM card and the Device in order to prevent both from being used by anyone across all UK networks. If Your Device has an IMEI Number, Likewize will blacklist it to prevent it from being used.
4. **If Your device is Lost or Stolen, report it to the police as soon as You can.** Likewize will ask You to provide the police reference number before they will approve any claim for Loss or Theft. If You have any difficulty reporting Your incident to the police, please contact the Likewize customer helpline on **0345 528 0182** for assistance.
5. **Report Your claim to Likewize as soon as You can as it makes it easier for Likewize to investigate Your claim.** It also makes it easier to recover Your Device. You can easily and conveniently file Your claim in the Tech Pack Insurance app or by calling the Likewize customer helpline on **0345 528 0182**.
6. **Report any loss or theft to the place or location You believe it was Lost or Stolen.** As part of taking care of Your Device, We and Likewize expect You to make attempts to report Your Device as Lost or Stolen to the place or location You believe it was last seen. Likewize may ask You to provide the details of where Your Device was Lost or Stolen from and the actions You have taken to try to recover it. For example, if You think You have left Your Device on a train, contact the train line operator to see if the Device was handed in.

7. **If Your Device has the functionality, activate any location finder app or software to help You in retrieving it.** If Your Device is Lost or Stolen, and the functionality is available, You must enable any locking or location-finding feature on Your Device. This may also enable You to lock and wipe the data stored on Your Device.

Do not attempt to retrieve Your Device if You believe it has been Stolen or if You are unfamiliar with the location. If You suspect Your Device has been Stolen, report the Theft to the police.

8. **Proof of Ownership.** The Device You are claiming for under this Policy must be Yours or Your Family Members'. Therefore, You will need to provide some form of proof of ownership, such as a Device purchase receipt, or statement from Your network service provider to Likewise. If You received Your Device as a gift, be sure to ask for the proof of purchase. If You don't have any proof of ownership Your claim may be denied.

For Mobile Phones, the proof of ownership must confirm: make, model, memory size, colour and IMEI Number of Your Mobile Phone.

And for Gadgets, the proof of ownership must confirm: make, model, serial number and date You purchased Your Gadget.

For Devices which make and receive calls, Your network provider may also be able to provide it to You.

9. **Other Documentation.** Likewise may ask for additional information and documentation in order to assess Your claim. This could include documentation to show when the Device was last used, when any Loss or Theft was reported to Your network provider, or to verify Your identity. Likewise will confirm what information, if anything, is required during the claims process.

If You have any problems in getting any supporting documentation Likewise requires, please contact them so they can guide You on how to obtain these. It is important that You provide Likewise with the relevant information they have requested as soon as possible. Failure on Your part to provide Likewise with the requested documentation may result in a denial of Your claim.

How to File a Claim:

Step 1: Please make sure You have read the "Policy Conditions – What You Need to Do" section as this tells You what Likewise may need from You in order to approve Your claim.

Step 2: Tell Likewise about Your claim as soon as You can after discovering the incident.

You can do this by:

- visiting techpackinsurance.co.uk;
- going via the **Tech Pack Insurance app** which is available from the Apple App Store and Google Play; or
- calling the Likewise customer helpline on **0345 528 0182**.

The Likewise customer helpline is available Monday to Friday 8am – 8pm, Saturday 9am – 6pm and Sunday 10am – 5pm. Bank holidays are open during the hours 10am – 5pm excluding Christmas Day and New Year's Day.

Failure to notify Likewise may result in denial of Your claim if it is made so long after the incident that We and Likewise are unable to fully investigate it, or may result in You not receiving the full amount claimed if the amount claimed is increased as a result of the delay.

Step 3: For Damage or Breakdown claims, if Your Device has any software-locking mechanism (e.g. Find My iPhone/iPad or similar feature), You must disable or remove the software and confirm that You have done so to Likewise before Likewise can proceed with Your claim.

Step 4: Pay the Excess.

- You must pay the applicable Excess to Likewize for every approved claim, which includes repair, a replacement or a Cash Settlement or an e-voucher.
- Your Excess can be paid by Visa, MasterCard and debit cards. Likewize does not accept American Express or Diners Club cards. Likewize will inform You of other payment options that may be available during Your claims process.
- If there are multiple registered Devices involved in the same incident, each registered Device will be treated as a separate claim and an Excess will be payable for each Device.

The Excesses that will apply in relation to each type of claim under the Policy will be higher during the first year that you hold the Policy.

Excesses that apply until You have held this Tech Pack for one year are as follows:

For Mobile Phones:

- If Your Mobile Phone is Damaged and You choose to repair Your Device (if the repair option is offered to You), Your non-refundable Excess is £79.
- If Your Mobile Phone can't be repaired and Likewize replaces Your Mobile Phone or if You receive a Cash Settlement, the non-refundable Excess is £149.
- If your Mobile Phone is Lost or Stolen, the non-refundable Excess is £179.

For Gadgets:

- If Your Gadget has been Damaged and You choose to repair the Gadget (if the repair option is offered to You), the non-refundable Excess is £79.
- If Your Gadget can't be repaired and Likewize replaces Your Gadget or if You receive a Cash Settlement, the non-refundable Excess is £149.
- If Your Gadget is Stolen, the non-refundable Excess is £179.

Excesses that apply after You have held this Tech Pack for one year are as follows:

For Mobile Phones:

- If the screen of Your Mobile Phone has been Damaged and there is no other Damage to Your Device, and You choose to repair the screen (if the repair option is offered to You), Your non-refundable Excess for an approved claim is £29.
- If Your Mobile Phone is Damaged (other than Damage to the screen) and You choose to repair Your Device (if the repair option is offered to You), Your non-refundable Excess is £49.
- If Your Mobile Phone can't be repaired and Likewize replaces Your Mobile Phone or if You receive a Cash Settlement, the non-refundable Excess is £99.
- If Your Mobile Phone is Lost or Stolen, the non-refundable Excess is £149.

For Gadgets:

- If the screen of Your Gadget has been Damaged and there is no other Damage to Your Device, and You choose to repair the screen (if the repair option is offered to You), Your non-refundable Excess for an approved claim is £29.
- If Your Gadget has been Damaged (other than Damage to the screen) and You choose to repair the Gadget (if the repair option is offered to You), the non-refundable Excess is £49.
- If Likewize replaces Your Gadget, the non-refundable Excess is £99.
- If your Gadget is Stolen, the non-refundable Excess is £149.

IMPORTANT: For all claims, if You select the repair option and Likewize is unable to repair Your Device, they will contact You to discuss alternative options. If Likewize contacts You to provide a replacement Device, You will be required to pay the difference between the repair Excess and the replacement Excess.

Step 5: Likewize, or its authorised repair provider, will either repair Your Device or send You a replacement wherever possible. If the make and model of Your claimed Device is not available, we will contact you to discuss the alternative options.

Repair. If Likewize, or its authorised repair provider, attempts to repair Your Device and the locking mechanism is enabled, it will delay Your claim and they may return Your Device to You unrepaired for You to remove any locking mechanism.

Replacement. For Damage and Breakdown claims, if Likewize discovers that, after providing You with a replacement Device, the software-locking mechanism, such as Find My iPhone or equivalent feature, has been enabled on Your Device, Likewize may charge You an amount up to the current new recommended retail price of the replacement Device provided to You.

For Loss or Theft claims ONLY:

If Your Device has the functionality, activate any location finder app or software that may help You locate and retrieve the Device. If You think Your Device was Stolen, or are unfamiliar with the location of the Device, do not attempt to retrieve Your Device. If You think Your Device has been Stolen, report this to the police as described in the “Policy Conditions – What You Need to Do” section.

For Damage and Breakdown Claims:

When sending in Your Device, DO NOT send in Your SIM or memory card, any other accessories or any other items that do not relate to the claim such as the manual or box as these will be destroyed. These items will not be returned to You. When Your Device is received, all remaining data and content will be erased as part of the claims process. Please ensure You take the necessary steps to back up Your data prior to sending Your Device to Likewize as they are not responsible for any data or content on Your Device that may be lost during the claims process.

Damaged or broken-down Devices and parts and materials replaced by Likewize shall become Our property. If Likewize has provided You with a replacement Device as part of the claims process and You do not return the exact Device that You filed a claim for, Likewize will take steps to recover the replacement Device provided to You, or it will collect an equivalent cash value up to the manufacturer’s current new recommended retail price. Likewize will also take action to bar the replacement Device provided to You in order to prevent it from being used.

Please note, that once a device has been returned to Likewize, they will be unable to return this to You.

Device Warranty

This Policy is provided in addition to any applicable OEM warranty that applies to Your Device. Nothing in this Policy is intended to affect Your rights under the warranty or Your statutory rights.

If any repairs authorised by Likewize under this Policy invalidate this warranty, Likewize will repair or replace Your Device, as necessary, in accordance with the terms of the warranty for the unexpired period.

All repairs and/or replacements provided by Likewize, or its authorised repair providers, come with a twenty-four (24) month warranty provided by Likewize.

In the unlikely event that the replacement phone You receive has damage when you receive it, You must notify Likewize within 72 hours of accepting the delivery. If You notify Likewize later than this, they may deem the damage to have occurred after the phone was received by You. Cosmetic damage to the replacement phone Likewize have provided You with is not covered under the warranty.

The Information You Provide to Us

You must take reasonable care to make sure that all facts and information that You provide Us with when You take out, renew, or request changes to the cover provided by the Policy are accurate and complete. If You fail to exercise reasonable care in providing facts and information to Us, We will treat the Policy as if it had not existed from the effective date, renewal date or date when any changes were made to the Policy (as the case may be) if You: (i) deliberately or recklessly gave Us inaccurate or incomplete information; or (ii) did not take reasonable care to give Us accurate and complete information in circumstances where We would not have covered You at all had We known about such information. We will return the premium provided You did not deliberately or recklessly provide Us with inaccurate or incomplete information.

In all other cases, We may refuse to approve Your claims, depending on what We would have done if You had provided Us with accurate and complete information.

If this Policy covers any of Your Family Members and that Family Member fails to comply with this Policy condition, We may rely on Our rights under this condition and enforce them against that particular Family Member, as if a separate policy had been issued to them, leaving the remainder of the Policy and the rights of You and other Family Members who did not violate this condition unaffected.

Fraud

We and Likewise do not tolerate any type of fraudulent activity, and work closely and share data and information with other insurers, law enforcement agencies, fraud prevention agencies, public bodies and network providers to identify fraud and, where appropriate, support prosecution. We and Likewise may also access and use the information recorded by fraud prevention agencies. Such agencies may be located in the UK and other countries. Please contact Likewise on **0345 528 0182** for details of the relevant fraud prevention agencies. It is important that when applying for insurance or submitting a claim You or anyone acting on Your behalf must take reasonable care to answer all questions honestly and to the best of Your knowledge. Failure to do so may negatively impact the validity of Your policy or the fulfilment of Your claim.

If You provide Us or Likewise with any fraudulent, exaggerated, false or inaccurate information as part of Your claim, We and Likewise may take any of the following actions:

- Deny Your claim and You will have to reimburse any benefits You may have already received as part of the claim, and Likewise may cancel Your policy from the date of the fraud or exaggeration. If an Excess has been paid this will be returned, but no premium will be refunded.
- Report You to relevant authorities and take legal action, if necessary, to recover any money, the value of any replacement Device, or value of repairs already provided to You under this Policy.
- Provide the details of the fraudulent activity to Barclays, industry-wide fraud prevention databases and fraud prevention agencies. A list of participants and the name and address of the operators and agencies are available from Likewise upon request.

However, there may be circumstances where Aviva receives Personal Information, for example, if a complaint is escalated to Aviva or Aviva takes over the administration of the Policy or handling of claims from Likewise. In these cases, Personal information may be used by Aviva for the following purposes (and as further set out in this section):

- Insurance administration, e.g. communications, claims processing and payment;

- Monitoring and recording telephone calls for quality, training and security purposes.

Sharing of Personal Information – for the above purposes, Personal Information may be shared with Aviva's group companies and third parties (such as brokers and other insurance distribution parties, insurers and reinsurers, credit reference agencies and other service providers). Personal Information will be shared with other third parties (including government authorities) if required by laws or regulations. Personal Information may be shared with purchasers and prospective purchasers and transferred upon a sale of Aviva's company or transfer of business assets.

International transfer – due to the global nature of Aviva's business, Personal Information may be transferred to parties located outside the UK. When making these transfers, Aviva will take steps to ensure that Personal Information is adequately protected and transferred in accordance with the requirements of data protection law. Further information about international transfers is set out in Aviva's Privacy Policy (see below).

Security and retention of Personal Information – appropriate technical and physical security measures are used to keep Your Personal Information safe and secure. When Aviva provides Personal Information to a third party (including its service providers) or engages a third party to collect Personal Information on Aviva's behalf, the third party will be selected carefully and required to use appropriate security measures.

Your rights – You have a number of rights under data protection law in connection with Aviva's use of Personal Information. These rights may only apply in certain circumstances and are subject to certain exemptions. These rights may include a right to access Personal Information, a right to correct inaccurate Personal Information and a right to erase Personal Information or suspend Aviva's use of Personal Information. These rights may also include a right to transfer Your data to another organisation, a right to object to Aviva's use of Your Personal Information, a right to request that certain automated decisions Aviva makes have human involvement, a right to withdraw consent and a right to complain to the data protection regulator. Further information about Your rights and how You may exercise them is set out in full in Aviva's Privacy Policy (see below).

Arranged Overdraft Interest Charges

Customers can no longer take this Pack. This Pack hasn't been available to new customers since March 2021. If you already hold this Pack on your Barclays Bank Account, and you apply for an arranged overdraft, the first £100 will be interest free.

An overdraft limit is a borrowing facility which allows you to borrow money through your current account. Arranged overdrafts, including interest-free amounts, are subject to application, financial circumstances and borrowing history, so the amount offered may be different to that shown in the examples below. Overdraft facilities are repayable on demand and you must be 18 or over and a UK resident to apply for one.

If you cancel your Tech Pack

If you only hold this Pack and you cancel it, you won't be entitled to the interest-free amount on any overdraft you have on your Barclays Bank Account. If you still hold another Pack or add a different Pack, you may no longer be entitled to the interest-free overdraft amount as it depends on the type of pack you hold. Please refer to the relevant welcome pack(s) which can be found on [barclays.co.uk/current-accounts/welcome-pack/](https://www.barclays.co.uk/current-accounts/welcome-pack/) or contact us. The removal of your interest-free amount won't affect your overdraft limit, but it will mean you'll pay interest charges whenever you go overdrawn.

How does my overdraft compare?

A good way to compare the cost of our overdraft with other overdrafts or other ways of borrowing is to look at the Annual Percentage Rate (APR). The APR shows the cost of borrowing over a year.

Account type	Interest Charges	Representative example
Barclays Bank Account with Overdraft Tier (where your Pack benefits include the interest-free overdraft)	Overdraft interest is calculated for each day that you are overdrawn and is charged to your account monthly. The maximum arranged overdraft is £5,000.	0% interest (variable) payable on arranged overdrafts up to £100. If you use an arranged overdraft above this amount the annual rate of interest is 35.0% (variable) and 51.6% APR Representative (variable), based on a £1,200 overdraft balance and monthly Tech Pack fees of £14.50.
Premier Current Account, Student Additions, Higher Education Account	If you already hold your Tech Pack on one of these accounts, no additional interest-free arranged overdraft amount is available as a result of you holding the pack. You can find out more by visiting barclays.co.uk/overdrafts .	
Barclays Basic Current Account	There are no arranged overdraft facilities available on Barclays Basic Current Account.

The first monthly Tech Pack fee is part payment for the rest of the month in which the Tech Pack is purchased.

We hold the insurance premium you pay to us, and any premium refunds payable to you, in respect of the insurance products included in the Tech Pack as agent of Aviva Insurance Limited, which means your insurance product is treated as being paid for when the Tech Pack fee is collected by us.
