Price Plan Guarantee

We will review your Price Plan on an annual basis, and where we believe that you may be better off on a different Price Plan, we will move you to that Price Plan.

Any review to determine the Price Plan that is best for you will be based only on completed monthly charging periods. If our review shows that you are already on the best Price Plan for you then you will remain on that Price Plan.

We will contact you prior to moving you to the Price Plan we think is best for you. If you prefer not to move to the Price Plan we think is best for you, please let us know.

Loyalty Reward

Loyalty Reward is our way of rewarding you for being our customer by paying you back a proportion of the charges we apply to your current account on a monthly basis.

Loyalty Reward is available on the Mixed Payments Plan and e-Payments Plan and the proportion of the charges that we pay back to you will be determined based on:

- tenure – the length of time you have banked with us, assessed from the first Sterling Business Current account opening for your business's current legal entity (for example sole trader, partnership, or limited company)
- annual credit turnover – the amount of money credited (excluding internal transfers between your own accounts and credits made by Barclays) to all of your Sterling business current accounts* during the previous 12 calendar months

We will recalculate your tenure and annual credit turnover at the end of each monthly charging period, which may result in a change in the Loyalty Reward percentage and this will be applied without notice.

If you wish to move to an alternative Price Plan at any other time, please contact us, but note that we may not be able to confirm this as the best value Price Plan for you, because we may not have sufficient information to make an assessment.

If you have multiple business current accounts, we will review each account individually and you may, as a result, have multiple accounts on different Price Plans.

Our Price Plan Guarantee will only apply to the Mixed Payments Plan and e-Payments Plan.

If you have multiple business Sterling business current accounts* they will all be taken into account when calculating Loyalty Reward.

Loyalty Reward is available on your business current account bank charges, excluding:

- overdraft and lending charges
- monthly account fees
- any other services that are charged for at the time they are provided
- fees related to the Barclays Collect collections or cancellations
- audit letter fees

The Loyalty Reward calculation will be based upon the actual charges applied to your account.

Loyalty Reward will be paid on each individual Sterling business current account basis. You will be able to view the value of your Loyalty Reward payment, once made, by looking at your account statement or through Online Banking.

Where we have evidence that funds are being moved in and out of a business current account which increases your annual credit turnover we reserve the right not to include the funds in the calculation of the Loyalty Reward.

We are not accounting or tax advisers and we do not provide accounting or tax advice.

Borrowing and Overdraft Charges

Authorised borrowing charges

When you need to borrow we will discuss and agree with you our charges at the time your facilities (including overdrafts) are set up, renewed or extended on a temporary basis. These charges are part of the overall cost of borrowing and include, for example:

- the costs involved in agreeing or reviewing facilities
- the cost of on-going monitoring of financial information and lending conditions throughout the term of a facility

If we ask you to provide security, a further charge will usually be applied to cover the costs of taking the security.

Using your debit card abroad

Barclays will charge you a 2.75% Non-Sterling Transaction Fee for using your debit card abroad when making purchases, withdrawing cash, or when you are being refunded. This fee will also apply whenever you do not pay in sterling, for example when you shop online at a non-UK website.

Charging and Loyalty Reward frequency

Price Plan and interest charges

We take Price Plan and interest charges that you owe us from your business current account in arrears each month. We will give you approximately 14 days' advance notice of the charges we will take from your account, in a separate 'Advance Notification of Charges' statement which will include a detailed breakdown of the charges. You will therefore be able to check your charges before they are taken from your account. The 'Advance Notification of Charges' statement will tell you the date on which the charges and interest will be taken. The monthly charging dates are available upon request.

Unauthorised overdraft charges

Unauthorised overdraft interest will be calculated on your account on a daily basis and will be debited monthly.

Changes to charges and your business current account

We reserve the right to amend our charges from time-to-time and make changes to the way your business current account operates. However, we will give you a minimum of two months' notice of any increase to our charges or changes to the way your business current account operates.

Unauthorised overdraft charges

If you try to make any payment from your account and you do not have the funds available for it, we will treat this as a request to make or extend the use of our unauthorised overdraft facilities, for which you will be charged an unauthorised overdraft rate of 29.5% per annum.

Authorised borrowing is cheaper than an unauthorised overdraft. Therefore, ask us to consider you for our authorised borrowing facilities before your account is in that position.

Loyalty Reward

Where an account is eligible for a Loyalty Reward, the payment will be made no more than two working days after charges have been debited from your account. If you close your business current account, you will not be eligible for any outstanding Loyalty Reward payments.

Any Loyalty Reward payment will be paid directly into your business current account from which charges and interest were taken.

Cut-off times

We'll always try to be clear with you about how long it's going to take for us to do what you ask. Our working days are generally Monday to Friday except public holidays. We'll start work on your instruction to make a payment on the same working day we receive it, except if it is after the cut-off time for accepting new instructions for that day. In that case, we'll process it the next working day. Different types of payment instructions have different cut-off times.

If we receive your payment instruction on a public holiday or at the weekend, we'll usually process your instruction on the next working day, unless we can process it as a Faster Payment. In that case, we'll process it on the same day.

The table below gives you information on the timings of your payment.

Important information about the Financial Services Compensation Scheme

We are covered by the Financial Services Compensation Scheme (FSCS). The FSCS can pay compensation to depositors if a bank is unable to meet its financial obligations. Most depositors – including most individuals and small businesses – are covered by the scheme.

In respect of deposits, an eligible depositor is entitled to claim up to £85,000. For joint accounts each account holder is treated as having a claim in respect of their share so, for a joint account held by two eligible depositors, the maximum amount that could be claimed would be £85,000 each (making a total of £170,000).

The £85,000 limit relates to the combined amount in all the eligible depositor's accounts with the bank, including their share of any joint account, and not to each separate account.

For further information about the compensation provided by the FSCS (including the amounts covered and eligibility to claim) please ask at your local branch, refer to the FSCS website www.fscs.org.uk, or call the FSCS on 020 7741 4100 or 0800 678 1100. Please note only compensation related queries should be directed to the FSCS.

Barclays Bank UK PLC may also accept deposits under the following trading names; Barclays, Barclays Business Banking, Barclays Premier Banking, Barclays Smart Investor and Barclays Wealth Management.

Deposits accepted from an eligible depositor under these trading names are combined for the purposes of deposit compensation from the FSCS. The FSCS is not applicable to deposits held at branches in the Channel Islands or the Isle of Man.
