

Clients Premium Account

A convenient savings account that simplifies the administration of your clients' funds.

Key features

- Reduced administration and greater control
- Interest paid quarterly

If your business is required to hold clients' funds on their behalf, and you meet our eligibility criteria, this account offers you convenient access and a return on clients' deposits.

Convenience and a competitive return

The rates are managed to optimise the return on your clients' funds. Interest accrues daily and is paid quarterly. Please refer to the Clients Premium Account Additional Conditions for information on where to find our current interest rates.

Flexible

Funds can be earning interest right up to the day that they leave the account because you have immediate access to them, without notice or loss of interest. Any amount can be paid in or withdrawn at any time by bank transfer. However, cash withdrawals and deposits may be made subject to limits. This account must not be used as a current account.
