

Asset finance for the healthcare industry

Deliver advanced healthcare and manage your capital

We've partnered with Propel¹ to offer asset finance to businesses that suit their specific needs. Asset finance lets healthcare businesses access the latest state-of-the-art medical equipment that can help them boost business growth and deliver exceptional patient care.

Propel combines in-depth knowledge of the healthcare industry and fast processing technology, providing these key benefits:

- Access to the medical equipment you need, when you need it, without manufacturer restrictions
- Frees up your working capital, as there's no upfront payments
- Keeps your existing credit arrangements, such as bank overdrafts and loans, available for other use
- Protects your business with fixed payments – safeguarding you against rate increases and allowing you to budget and project your cashflow with confidence.

Total asset finance solutions – all under one roof

Using Propel means you'll get access to:

1. Competitive rates
2. A team of experts with knowledge of the healthcare sector
3. Flexible terms and deposits
4. A bespoke approach to your asset finance needs
5. Flexibility in financing older equipment and assets

Propel can finance most healthcare equipment, including:
