Who is this policy suitable for?

Summary	Description
<p>For many of us, our mobile phone is much more than a device for making calls. It means you can stay in contact wherever you are, it stores valuable memories and so much more.</p> <p>It is important to note that mobile phone insurance is offered on the understanding that you will take care of your mobile phone.</p>	<p>This policy is suitable if you have a mobile phone that is not already covered under an insurance policy and you want to cover the cost of repairing or replacing your mobile phone against loss, theft, damage and breakdown (subject to an excess payment by you for every accepted claim detailed in the section 'What you are NOT covered for', you should consider this excess if you have a basic mobile phone to judge whether this policy is suitable for you).</p> <p>Having insurance does not mean that you can take risks with your mobile phone which you would not take if your mobile phone was not insured as doing so may result in your claim being declined.</p> <p>Further details can be found in the section 'What you are NOT covered for'.</p>

We do understand that circumstances of the claim can be quite different when a claim event happens and we will make every effort to take this into consideration when we review a claim.

Risk you are covered for	Benefits you receive
<p>If you make a successful claim for loss or theft and discover you have been charged for calls, texts or data as a result of someone else using your phone, you are covered for these up to a value of £2,000 if you have an airtime contract and £100 if you pay as you go.</p>	<p>In the event that you are billed by your network provider as a result of your mobile phone being used after it has been lost or stolen, we will pay those charges incurred during the period between:</p> <ul style="list-style-type: none"> • The moment the loss or theft occurred and • 24 hours after you discovered it missing <p>For example, if your phone was stolen at 8am on Tuesday and you discovered it missing at 11 am on Wednesday, you would be covered for charges made between 8am Tuesday and 11 am Thursday, up to the following cover limits:</p> <ul style="list-style-type: none"> • £2,000 for contract handsets • £100 for PAYG <p>We may require copies of network bills for contract mobile phones or proof of 'Top-up' to your credit on Pay-As-You-Go mobile phones to support your claim for unauthorised use.</p>

That's a case, headphones, Bluetooth headsets and similar.</p>	<p>If your accessories are lost, stolen or damaged at the same time as your mobile phone we will replace them with accessories of a similar specification.</p>

What are you are NOT covered for

Summary	Description
Excess	<p>You need to pay an amount of:</p> <ul style="list-style-type: none"> • Apple handsets – £50 for damage and breakdown claims or £100 for loss and theft claims • Non-Apple handsets – £25 for damage and breakdown claims or £50 for loss and theft claims <p>This is the excess. Your excess is payable for every accepted claim and must be paid before your claim will be settled.</p>
Loss, theft or damage as a result of not taking care of your mobile phone	<p>We know how important your mobile phone is to you and we expect that you will take care of your mobile phone. If you don't take care of your mobile phone then we may not pay your claim.</p> <p>Taking care of your mobile phone means –</p> <ul style="list-style-type: none"> • Not knowingly leaving your mobile phone somewhere it is likely to be lost, stolen or damaged. Just think, would you leave your wallet or purse there? • If you need to leave your mobile phone somewhere then we expect you to lock it away out of sight if at all possible. If you cannot lock it away then you must leave it with someone you trust or concealed out of sight in a safe place. • Making reasonable enquiries to find your phone if you think you have lost it. <p>If you knowingly leave your mobile phone where others can see it but you cannot, and your mobile phone is then lost or stolen, we may not pay your claim.</p>

Summary	Description
	<p>We will always take into account where you are and what you are doing when we assess whether you have taken care of your mobile phone. If we believe you have not taken care of your mobile phone, and have knowingly taken a risk with it, we may decline your claim.</p> <p>For example, if you knowingly do any of the below we may decline your claim for not taking care of your mobile phone:</p> <ul style="list-style-type: none"> • leaving your mobile phone somewhere you can't see it but others can • leaving your mobile phone on display in your car • leaving your mobile phone in the care of someone you don't know well • if you are at the gym and you leave your mobile phone on a bench in the changing rooms rather than taking it with you or locking it in a locker • in a cafe or pub you leave your mobile phone on the table when you go to pick up your drink instead of taking it with you • intentionally damaging your phone <p>All of these examples increase the risk of it being stolen and may result in your claim being declined. The examples are to help you understand what's covered, and are not the only reasons a claim could be rejected.</p>
Cosmetic damage	<p>We only cover damage if it stops the normal functioning of your mobile phone. If it is just a scratch or dent, and your mobile phone still works as expected, then we will not repair or replace it.</p> <p>We know scratches and scrapes to your mobile phone aren't nice but we are here to fix your mobile phone when it isn't working, so if it still functions as you would expect then we can't help. For example, a scratched screen would not be covered but a cracked screen would be covered.</p>
Contents of your mobile phone	<p>We only cover the mobile phone, we don't cover the contents. This means that any pictures, software, downloads, apps, music or any other content is not covered by this policy so make sure you back it up regularly.</p> <p>There are lots of ways to back up the contents of your mobile phone and we suggest you do this regularly so if you have a claim and you lose your mobile phone's contents as a result, you can easily download it on to your new mobile phone.</p>

Summary	Description
More than two accepted claims in any 12 months	<p>We insure your mobile phone for up to two accepted claims per account holder in any 12 month period. If you make two accepted claims in any 12 month period your insurance will continue but you will not be able to make claims for any further incidents that happen before the anniversary of the first claim.</p> <p>For example if you make a claim on 1st January and another on 1st May you will not be able to make any further claims against this policy for incidents that happen prior to 1st January the following year.</p>
Other loss	<p>Any cost or loss that can't be resolved by the repair or replacement of your mobile phone.</p> <p>We don't cover any loss or profit, opportunity, goodwill or similar losses. We just cover the mobile phone, unauthorised network charges and accessories.</p>
Any device that is not a mobile phone	<p>This policy is only for mobile phones. This means we only cover devices that are designed to make mobile phone calls.</p> <p>This policy isn't for tablet computers.</p>
Modifications	<p>If your mobile phone has been modified in any way we will only replace or repair the mobile phone, we do not cover the modifications that have been made.</p> <p>Modifications are anything that changes the way your mobile phone looks or operates from the original specifications. This includes things like adding gems, precious metals or making software changes such as unlocking your mobile phone from a network.</p>

Actions you will need to take on loss, theft, breakdown or damage to your mobile phone

Fraud

We do not tolerate any aspect of fraudulent activity. We work closely and share data with other insurers, law enforcement agencies and airtime providers to identify fraud and support prosecution where the appropriate evidence exists. Our Fraud Team works tirelessly to prevent and detect fraud. We, and other organisations, may access and use the information recorded by fraud prevention agencies, from both the UK and from other countries.

It is important that when applying for insurance, or submitting a claim you or anyone acting on your behalf must take reasonable care to answer all questions honestly and to the best of your knowledge. Failure to do so may affect the validity of your policy or the payment of your claim.

If false or inaccurate information is provided and fraud is identified then we will:

- Not honour the claim and we will cancel your policy.
- Report you to the relevant authorities and take legal action, if necessary, to recover any money already paid to you under this insurance policy.
- Put the details of the fraudulent claim onto a Register of Claims through which insurers share information to prevent fraudulent claims. A list of participants and the name and address of the operator are available on request.
- Pass the details to fraud prevention agencies. Law enforcement agencies may access and use this information. Other organisations may also access and use this information to prevent fraud and money laundering, for example, when:
 - Checking details on applications for credit and credit related or other facilities
 - Managing credit and credit related accounts or facilities
 - Recovering debt
 - Checking details on proposals and claims for all types of insurance
 - Checking details of job applicants and employees

Please contact us **0800 158 3198*** if you want to receive details of the relevant fraud prevention agencies.

If you cancel within this period and have paid your first monthly Premier Tech Pack fee, it will be refunded. Your insurance policy forms part of the benefit options available to you with Premier Tech Pack, subject to you being a Qualifying Account holder. Summary

For many of us, gadgets are playing more of a role in our everyday lives and it is important to us that we ensure that we can continue to use these as frequently as we do.

Description

This policy is suitable if you have any gadget(s) that is not already covered under an insurance policy and you want to cover the cost of repairing or replacing your gadget(s) against theft, damage and breakdown (subject to an excess payment for every accepted claim).

The term gadget applies to the following:
Digital cameras, laptops, tablets, netbooks, smartwatches, portable DVD players, mp3/mp4players, camcorders and satellite navigation systems

It does not apply to:

Televisions, monitors, mobile phones/telephones, fax machines, modems and karaoke machines.

Please contact us if you are unsure as to whether your gadget(s) can be covered.

It is important to note that gadget insurance is offered on the understanding that you will take care of your gadget(s).

Having insurance does not mean that you can take risks with your gadget(s) which you would not take if your gadget(s) was not insured, as doing so may result in your claim being declined. Further details can be found in the section '**What you are NOT covered for**'

We do understand that every claim can be quite different and we will make every effort to take this into consideration when we review a claim.

What are you are NOT covered for

Summary	Description
Loss	This policy does not cover the loss of your gadget(s) or accessories under any circumstances
Excess	<p>You need to pay an amount every time you make a successful claim, this is the excess and is:</p> <p>£50 for laptops and tablets £25 for all other gadgets</p> <p>Your excess is payable for every accepted claim and must be paid before your claim will be settled.</p>

Theft, damage or breakdown as a result of not taking care of your gadget(s)

We know how important your gadget(s) is to you and we expect that you will take care of your gadget(s). If you don't take care of your gadget(s) then we may not pay your claim.

Taking care of your gadget(s) means:

- Not knowingly leaving your gadget(s) somewhere it is likely to be stolen or damaged.
- If you need to leave your gadget(s) somewhere then we expect you to **lock it away out of sight** if at all possible. If you cannot lock it away then you must leave it with **someone you trust or concealed out of sight in a safe place.**

If you knowingly leave your gadget(s) where others can see it but you cannot and your gadget(s) is then stolen we may not pay your claim.

Theft, damage or breakdown as a result of not taking care of your gadget(s)

We will always take into account where you are and what you are doing when we assess whether you have taken care of your gadget(s). If we believe you have not taken care of your gadget(s), and have knowingly taken a risk with it, we may decline your claim.

For example if you knowingly do any of the below we may decline your claim for not taking care of your gadget(s):

- leaving your gadget(s) somewhere you can't see it but others can
- leaving your gadget(s) on display in your car
- leaving your gadget(s) in the care of someone you don't know well
- if you are at the gym and you leave your gadget(s) on a bench in the changing rooms rather than taking it with you or locking it in a locker
- in a cafe or pub you leave your gadget(s) on the table when you go to pick up your drink instead of taking it with you
- intentionally damaging your gadget(s)

All of these examples increase the risk of it being stolen or damaged and may result in your claim being declined. The examples are to help you understand what's covered, and are not the only reasons a claim could be rejected.

Cosmetic damage

We only cover damage if it stops the normal functioning of your gadget(s). If it is just a scratch or dent, and your gadget still works as expected, then we will not repair or replace it.

We know scratches and scrapes to your gadget(s) aren't nice but we are here to fix your gadget(s) when it isn't working, so if it still functions as you would expect then we can't help. For example, a scratched screen on a tablet would not be covered but a cracked screen would be covered.

Contents of your gadget	<p>We only cover the gadget(s), we don't cover the contents. This means that any pictures, software, downloads, apps, music or any other content is not covered by this policy so make sure you back it up regularly.</p> <p>Keeping a back-up of all of the data that you store on your gadget(s) is highly recommended in order that these are not irretrievably lost in the event of damage, breakdown or theft.</p>
More than 2 accepted claims in any 12 months per account holder	<p>We insure your gadget(s) for up to two accepted claims in any 12 month period per account holder. If you make two accepted claims in any 12 month period your insurance will continue but you will not be able to make claims for any further incidents that happen before the anniversary of the first claim.</p> <p>For example if you make a claim on 1st January and another on 1st May you will not be able to make any further claims against this policy for incidents that happen prior to 1st January of the following year.</p>
Other losses	<p>Any cost or losses that can't be resolved by the repair or replacement of your gadget(s)</p> <p>We don't cover any loss or profit, opportunity, goodwill or similar losses. We just cover the gadget(s) and accessories.</p>
Any device that is not a gadget	<p>This policy is only for gadget(s). This means we only cover portable electronic devices that contain their own power source whose main function is designed to support multimedia applications or obtaining multimedia content.</p> <p>e.g. we don't cover things such as televisions, monitors, mobile phones, fax machines, modems.</p> <p>If you aren't sure whether your gadget(s) would or would not be covered then contact us so we can let you know</p>

Actions you will need to take on theft, breakdown or damage to your mobile phone

Report your claim to us as soon as you can but within 28 days	<p>Tell us about a claim as soon as you can. We expect you to tell us about any claim as soon as possible and within 28 days of discovery of the theft, breakdown or damage.</p> <p>If you don't do this we will still consider your claim; however, it makes it difficult for us to investigate your claim, recover your gadget if it is stolen or stop any further damage to your gadget.</p> <p>You can log your claim online or by telephone, it is really simple.</p>

Fraud

We do not tolerate any aspect of fraudulent activity. We work closely and share data with other insurers, law enforcement agencies and realtime providers to identify fraud and support prosecution where the appropriate evidence exists. Our Fraud Team works tirelessly to prevent and detect fraud. We, and other organisations, may access and use the information recorded by fraud prevention agencies, from both the UK and from other countries.

It is important that when applying for insurance, or submitting a claim you or anyone acting on your behalf must take reasonable care to answer all questions honestly and to the best of your knowledge. Failure to do so may affect the validity of your policy or the payment of your claim.

If false or inaccurate information is provided and fraud is identified then we will

- Not honour the claim and we will cancel your policy. If an excess has been paid this will not be returned. This is not a penalty, this is to cover administration costs
- Report you to the relevant authorities and take legal action, if necessary, to recover any money already paid to you under this insurance policy
- Pass the details onto your bank or our distribution partner providing this service as part of a wider offering
- Put the details of the fraudulent claim onto a Register of Claims through which insurers share

information to prevent fraudulent claims. A list of participants and the name and address of the operator are available on request

- Pass the details to fraud prevention agencies. Law enforcement agencies may access and use this information. Other organisations may also access and use this information to prevent fraud and money laundering. For example, when:
 - Checking details on applications for credit and credit related accounts or facilities
 - Managing credit and credit related accounts or facilities
 - Recovering debt
 - Checking details on proposals and claims for all types of insurance
 - Checking details of job applicants and employees

Please contact us at **0800 158 3198*** if you want to receive details of the relevant fraud prevention agencies.

This period begins from these dates irrespective of when you register your details for cover. Arranged Overdraft Daily Fees

The fees shown here are variable, which means we can change them – although we will let you know before we do this. Arranged overdrafts, including fee-free amounts, are subject to status and application, so the amount offered may be different to that shown in the examples below. Overdraft facilities are repayable on demand and you must be 18 or over to apply for one.

Daily fees are calculated on the daily statement balance and charged to your account monthly.

Account type

Barclays Bank Account with Overdraft Tier (where you have a Pack)

Fees Payable

No daily fees are charged on arranged overdrafts up to £200. When you go over your £200 limit, daily fees are charged on the whole balance of your arranged overdraft.

The daily fees are as follows:

Up to £200	No fee
Over £200 and up to £1,000	75p per day
Over £1,000 and up to £2,000	£1.50 per day
Over £2,000	£3 per day

The maximum arranged overdraft is £5,000

Representative example

Fee-free overdraft up to £200 (subject to application and status) while you stay within that limit. £7.50 per month Pack fee assuming you have a Premier Tech Pack.

If you use an overdraft of £1,200 you will be charged £1.50 per day when you use it.

Premier Current Account

When you add a Pack to this account, no additional fee-free arranged overdraft amount is available because this account already offers preferential overdraft terms. You can find out more by visiting www.barclays.co.uk/your-overdraft

Barclays Basic Current Account

There are no overdraft facilities available on Barclays Basic Current Account

Emergency Borrowing

You can also apply for Emergency Borrowing, subject to status. It is repayable on demand and you must be 18 or over to apply. Emergency Borrowing is a separate borrowing facility we can provide in addition to or instead of an arranged overdraft to help you cover unexpected or emergency payments. It is not part of any overdraft fee-free amount available on the type of account you hold.

You can use our overdraft calculator at Barclays.co.uk/youroverdraft to see how much an arranged overdraft and Emergency Borrowing could cost you over a period of 31 days.

Credit Reference Agencies and Fraud Prevention Agencies

In order to process your application we will supply your personal information to credit reference agencies and fraud prevention agencies and they will give us information about you, such as about your financial history. We do this to assess creditworthiness and product suitability, check your identity, manage your account, trace and recover debts and prevent criminal activity. Once you open an account with us, we will share account data with the credit reference agencies on an ongoing basis.

If false or inaccurate information is provided to us and fraud is identified, details may be passed to credit reference and fraud prevention agencies to prevent fraud and money laundering and to verify your identity.

The Credit Reference Agency Information Notice (CRAIN) describes how the three main credit reference agencies in the UK each use and share personal data. The CRAIN is available on the credit reference agencies' websites:

- callcredit.co.uk/crain
- equifax.co.uk/crain
- experian.co.uk/crain

Or you can ask us for a copy of these.

Disclosure (in relation to insurance cover provided as part of the Barclays Current Account range)

You are responsible for providing complete and accurate information to insurers when you take out your insurance policy, throughout the life of your policy, and when you renew your insurance. It is important that you ensure that all statements you make on the proposal forms, claim forms and other documents are full and accurate. If you fail to disclose any information to your insurers, this could invalidate your insurance cover and could mean that part or all of the claim may not be paid.

Adding a Pack to your Current Account

These additional conditions supplement and amend the general conditions of your Customer Agreement with us (Barclays Bank UK PLC). In the event of any inconsistency between these additional conditions and the general conditions of the Customer Agreement, these terms will apply.

General

You can personalise your Current Account by adding one or more Packs and/or other features or benefits to it. A Pack is a set of added services (such as insurance products) that can be added as a package to a Qualifying Account, whilst other features or benefits are available as single add-ons.

You can customise your Current Account using Online Banking or Barclays Mobile Banking, by calling us or visiting a Barclays branch.

Qualifying Accounts

You can only add a Pack if you have a Barclays Bank Account, Barclays Basic Current Account, Student Additions Higher Education Account or Premier Current Account or if you have another account with us that we tell you is a Qualifying Account.

Packs

Before selecting a Pack, you should check that you are eligible for each of the benefits under each policy or feature (we will provide information to help you do this). For instance, you may not be eligible to claim for certain benefits because of your age or you have a pre-existing medical condition or some activities or equipment may not be covered.

Other features and benefits

You can add or remove a feature or benefit available as a single add-on from your Current Account at any time.

Fees and charges

A monthly fee is payable for the provision of each Pack and access to the set of benefits and services included in the Pack (Pack Fee). No part of this Pack Fee is attributable to any particular benefit or service in your Pack. If you choose not to use a benefit or service, or are not eligible for a benefit or service, or a benefit or service is not available to you, you will not be entitled to a refund of, or reduction in, the Pack Fee payable.

Some of the additional features or benefits you can choose which are not part of a Pack may incur separate charges. These charges are set out in the charges leaflets for your Current Account.

Changing or ending a Pack

You can cancel or change any Pack at any time. We may impose restrictions on your ability to re-select the same Pack for a certain period after you cancel or change it. If this is the case, we will tell you the restrictions when you cancel or change the Pack.

We may remove a Pack from your account if you fail to pay the monthly Pack Fee twice in a row or if your account becomes inactive for six months or more. We can also close your account or remove a Pack by giving you at least two months' notice in writing.

If you change your account from Premier to another Barclays bank account, or if your account is changed to another Barclays bank account because you no longer meet the eligibility criteria for Premier, any Premier Pack will also be removed from your account and will no longer be available to you.

If you cancel, or we remove, all of your Packs on your Barclays bank account, you will no longer be entitled to any fee-free overdraft that may have been made available to you with the Packs. If your account is changed from a Premier account to another Barclays account, you will no longer be entitled to any Premier fee-free overdraft that may have been made available to you with the Premier account or Premier Account Packs.

Changes to Packs

We will review the Packs from time to time. If we think it appropriate following a review, we may (by giving you at least 30 days' notice) make changes to the benefits included in the Pack or to the providers of those benefits, or withdraw a benefit from a Pack.

We may also (with the agreement of each provider) make changes to the terms on which each benefit is provided (such as changes to the terms of an individual policy).

The benefits and services in the Packs, and additional benefits and services available, may be provided to you by another provider within the Barclays Group of companies or by a provider outside that group. If we replace a benefit or service, or change the provider of a benefit or service, we may provide information about you to any new provider to ensure that there is no interruption in the benefit or service you receive. The new provider will use your information to provide you with the benefits and services.
