

## How to install the Barclays app on an Apple iPhone, iPod Touch or iPad

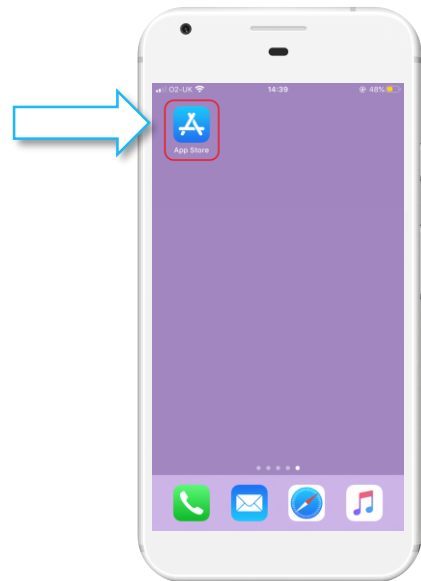

The Barclays app is a secure way to access your accounts 24 hours a day.

- With the app, you can
- Pay people and check your balance
- Change your cash machine limit, view your PIN and freeze your card
- Earn cashback and rewards, and see them tally up.

Here's how to install the app on an Apple iPhone, iPod Touch or iPad. You'll need an internet connection for this.

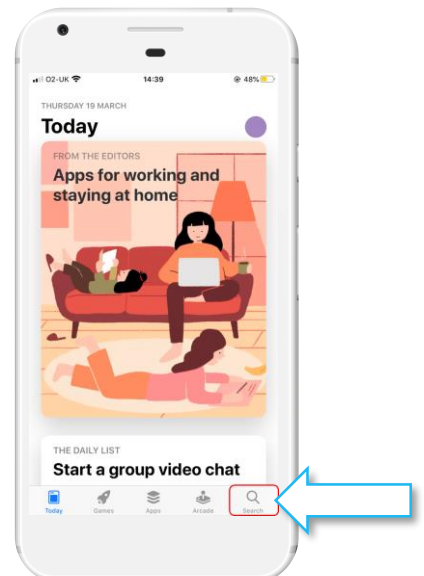

### Step 1

Open the App Store on your Apple device by tapping the 'App Store' on its home screen icon.

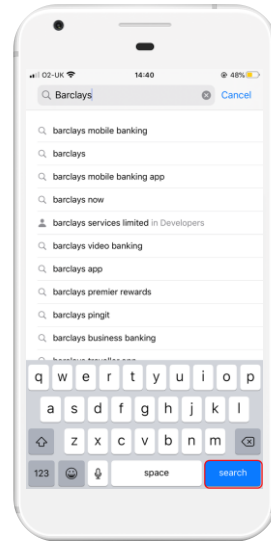

### Step 2

Tap 'Search' at the bottom-right of the screen.

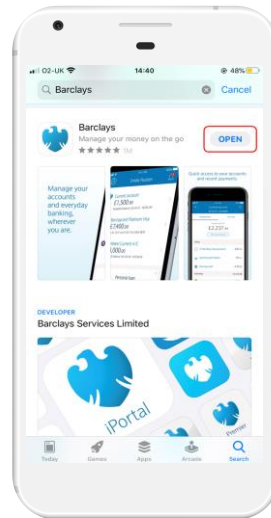

### Step 3

Type 'Barclays' into the search box at the top of the screen and then tap the blue 'Search' button on the keyboard.

### Step 4

Find the app called 'Barclays' in the list of apps that appears – it should be at or near the top – and tap its 'Get' button.

### Step 5

Confirm that you want to download the app (it's free), and then wait while it downloads and installs.

### Step 6

Go to your device's home screen and tap the icon for 'Barclays' to open the app. You can now log in to the app, or register to use it if you haven't done so already.

*The Barclays app works with iOS 9.3 or later on Apple iPhone, iPod Touch and iPad, or Android 5.0 or later.*

*Terms and conditions apply. You must have a current account with us, be aged 16 or over and have a mobile phone number to use the Barclays app*

#### Call monitoring and charges information

\* Calls may be monitored or recorded for quality and training purposes. Calls to 0800 numbers are free if made from a UK landline or personal mobile. Calls to 03 numbers are charged at the same rate as calls to 01 and 02 landlines, and will count towards any inclusive minutes you have covering calls to landline numbers. Charges may apply when calling from abroad.
