

## How to update the Barclays app on an Android smartphone or tablet

The Barclays app is a secure way to access your accounts 24 hours a day.

- With the app, you can
- Pay people and check your balance
- Change your cash machine limit, view your PIN and freeze your card
- Earn cashback and rewards, and see them tally up.

It's important to keep your Barclays app up to date to help protect your account. Here's how to check for and install an update for the app on an Android smartphone or tablet. You'll need an internet connection for this.

### Step 1

Open the App Store on your Android device by tapping the 'Play Store' icon.

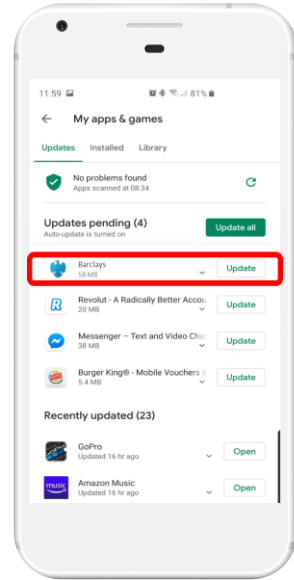

### Step 2

Tap to open the 'hamburger' menu at the left of the search box at the top of the screen and select 'My apps & games'.

## Step 3

Scroll down to see a list of apps that have available updates. If you see the Barclays app in the list, tap its 'Update' button to download the latest version.

*The Barclays app works with Android 5.0 or later.  
Terms and conditions apply. You must have a current account with us, be aged 16 or over and have a mobile phone number to use the Barclays app.*

### Call monitoring and charges information

\* Calls may be monitored or recorded for quality and training purposes. Calls to 0800 numbers are free if made from a UK landline or personal mobile. Calls to 03 numbers are charged at the same rate as calls to 01 and 02 landlines, and will count towards any inclusive minutes you have covering calls to landline numbers. Charges may apply when calling from abroad.
