

This Rate Sheet is for information only and does not constitute a Personalised Key Facts Illustration. Rates are subject to change and withdrawal at short notice.

Customers remortgaging may be able to use the Switch & Save and Great Escape remortgage package. As part of the remortgage package, we offer a legal service via a panel of solicitors who act on our behalf only. The legal service is not available should a customer choose not to use the appointed panel solicitor. Customers will not pay for or receive a copy of the non-disclosed valuation report. Switch & Save™ products are generally only available to customers who have a mortgage with another lender (not Barclays or Woolwich), who want to move their mortgage to us and are not moving home. In the case of a remortgage where it includes, for example, a change of names on the mortgage or the first registration of unregistered land, customers are liable for any associated fees.

For Residential purchase applications with a property value up to £2 million and all Remortgage applications, customers will not pay for or receive a copy of any non-disclosed valuation report. For Residential purchase applications with a property value over £2 million please see the Tariff of Charges at www.barclays.co.uk/mortgages. In order to confirm the most up to date rates available, please speak to our mortgage advisers for full details.

Barclays Bank Base Rate (BBBR) is a variable rate set by Barclays Bank PLC, which typically follows the Bank of England Base Rate but is not guaranteed to do so. **BBBR is currently 0.25%.**

Representative example:

A capital and interest mortgage of £161000 payable over 25 years initially on a fixed rate of 2.29% for 5 years and then our variable tracker rate at 3.49% above the Barclays Bank Base Rate (currently 0.25%) for the remaining term would require 60 monthly payments of £705.36 and 240 monthly payments of £803.94.

The total amount payable would be £236381.20 made up of the loan amount plus interest and £999 (product fee), £80 (final repayment charge), £35 (completion fee).

The overall cost for comparison is 3.3% APRC representative.

Help to Buy is a low cost homebuyer initiative to help eligible applicants purchase a new-build property from selected house builders. There are two versions of the scheme: one for England run by the UK Government where the maximum property value is £600,000 and one for Wales run by the Welsh Government where the maximum property value is £300,000. Under these shared equity schemes the applicant funds at least 80% of the purchase price, with the remaining share (up to a maximum of 20%) coming from the respective government. We will lend 75% of the purchase price with the 5% balance to come from the applicants own resources.

YOUR HOME MAY BE REPOSSESSED IF YOU DO NOT KEEP UP REPAYMENTS ON YOUR MORTGAGE

Notes & additional information.
Features of our Buy to Let Mortgage Products:
Buy to Let Affordability Rate: 5.50%.

Barclays considers both personal and rental income within the affordability calculation, undertaking a detailed affordability assessment of the borrower(s). The income affordability assessment includes all relevant landlord costs, applicant level tax liability (including mortgage interest tax relief changes being phased in from April 2017) and assumes a minimum borrower interest rate of 5.50%. We no longer apply a separate rental coverage assessment.

LTV: Loan to Value, this is based on the lower of the purchase price or our valuation. **Large Loans:** Buy-to-Let loans over £1 million are not available at present. This includes rate switches on existing loans over £1m and existing loans where additional borrowing is required which will take the total loan over £1 million.

Switch & Save™ remortgage package: Our standard legal service will include solicitor's fees directly relating to the remortgage (registered land only) and Land Registry fees. It does not include any other legal fees, money transfer fees or additional fees incurred in connection with dealing with leasehold, shared ownership properties or registration fees relating to Sasine properties in Scotland. It also excludes other mortgage charges or changes to mortgage parties. So, in the case of a remortgage where it includes, for example, a change of names on the mortgage or the first registration of unregistered land, you will be liable for any associated fees. You will be advised by your solicitor of additional costs applicable to your circumstances and charged separately for these.

Switch & Fix.

The Tracker products which have an Early Repayment Charge (ERC) carry a Switch & Fix facility. A product carrying a Switch & Fix may be switched to any fixed rate product, subject to availability at the time, without incurring the early repayment charge payable on this product. The switch will be subject to any product fee applicable to the new product at that time. The new product may also have an ERC which will not have the benefit of the Switch & Fix facility.

BTL Valuation Fees: A non-disclosed valuation report will normally be prepared solely for mortgage lending purposes. If you would like to receive a disclosed valuation report, please discuss this with your Woolwich Mortgage Advisor and refer to the BTL Tariff of Charges for the cost of the increased Valuation Fee.

Condition & Charges: A first charge over the property will be required as security for our mortgage. Full Personal Guarantees are required from all directors/ shareholders of a SPV Limited Company. Full Personal Guarantees are required from all members of a LLP. For interest only loans you are advised to arrange a suitable repayment vehicle to repay the capital at the end of the mortgage term. All mortgages are subject to status and valuation and a minimum age of 21 for the principal borrower. Early repayment charges apply if the mortgage is repaid in whole or in part or transferred to another scheme during the initial period, unless otherwise stated.

BTL Customer Contact Numbers: For new enquiries, please speak to the Mortgage Advisor in your local Barclays branch, or alternatively if you would like to deal with us directly call our BTL Sales and Information Team on 0333 202 7555* (telephone calls maybe recorded). For an update on an application which is being processed; please call the BTL Processing Unit on 0800 022 4 022. For servicing queries on completed cases; please call the BTL Customer Services Team on 0800 022 4 022.

*Calls to 03 numbers from a landline or mobile cost no more than calls to geographic numbers (01 or 02) and are included in any inclusive minutes and discount schemes you may have.

YOUR HOME MAY BE REPOSSESSED IF YOU DO NOT KEEP UP REPAYMENTS ON YOUR MORTGAGE

Barclays Bank PLC. Authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority (Financial Services Register number: 122702). Registered in England. Registered No. 1026167. Registered office: 1 Churchill Place, London E14 5HP.

Features of our Residential Mortgage Products:

- You are strongly recommended to have life assurance in place to cover the full amount of all sums that you may borrow from us under the facility. Applications are subject to status and a minimum age of 18. Mortgages are subject to valuation - maximum Loan-to-Value for purchases 95% (85% for New Build), remortgages 90% and 85% for additional borrowing (80% if any of the borrowing is to be used to repay outstanding debt), subject to product criteria. A first charge over your property is required. The mortgage is available on an interest only and / or repayment basis. For an interest only mortgage, it is your responsibility to ensure that you have sufficient funds to repay the mortgage at the end of its term. The minimum age for taking out a mortgage with Barclays is 18. Usually the maximum age at the end of the mortgage term should be 70 or your retirement age – whichever is sooner. Where the end of term date of the mortgage would be later than this for any applicant, applications may still be considered on an individual basis. Mortgages are not available for business purposes.

Charges and interest rates may vary and are correct at the time of going to print. All products are subject to availability and may be changed or withdrawn at any time without notice. Loans over £1million are priced on a case by case basis; this includes rate switches on existing loans over £1m and existing loans where additional borrowing is required which will take the total loan over £1 million.

Great Escape™ and Switch & Save™ remortgage package.

- Our standard legal service will include solicitor's fees directly relating to the remortgage (registered land only) and Land Registry fees. It does not include any other legal fees, money transfer fees or additional fees incurred in connection with dealing with leasehold, shared ownership properties or registration fees relating to Sasine properties in Scotland. It also excludes other mortgage charges or changes to mortgage parties. So, in the case of a remortgage where it includes, for example, a change of names on the mortgage or the first registration of unregistered land, you will be liable for any associated fees. You will be advised by your solicitor of additional costs applicable to your circumstances and charged separately for these.

Switch & Fix.

- The Offset & Tracker products which have an Early Repayment Charge (ERC) carry a Switch & Fix facility. A product carrying a Switch & Fix may be switched to any fixed rate product, subject to availability at the time, without incurring the early repayment charge payable on this product. The switch will be subject to any product fee applicable to the new product at that time. The new product may also have an ERC which will not have the benefit of the Switch & Fix facility.

Fixed Rates explained

- A fixed rate provides an interest rate that remains the same during the fixed period of the loan. After the fixed period of your loan our fixed rates revert to Barclays Bank Base Rate plus a margin;
- This gives you the peace of mind of knowing that your monthly repayment will stay the same for the period during which the rate is fixed, as long as payments are made for the correct amount and on time, allowing you to plan accordingly;
- An Early Repayment Charge may apply in certain circumstances.

Tracker Rates explained

- All Base Rate Trackers are linked to Barclays Bank Base Rate ;
- As the rate is linked to a variable rate, your monthly repayments may increase as well as decrease;
- This is the only product type available for "Offset" mortgages.
